Morton P. Goldman, PharmD, BCPS, and Radhika Nair, PhD

This supplement was supported by an educational grant from Wyeth Pharmaceuticals Inc.

Upside Endeavors, a medical communications company, proposed the idea for this supplement to the *Cleveland Clinic Journal of Medicine* and assisted in its development by suggesting and/or recruiting authors and by providing editorial assistance to some authors. Upside Endeavors' contributions to specific articles are detailed on the opening page of each article. The *Journal*'s two guest editors for this supplement approved the selection of article topics and authors, and all manuscripts were independently peer reviewed by the guest editors.

Author financial conflict-of-interest disclosures appear within the authors' respective articles.
