to

CLEVELAND CLINIC QUARTERLY

Volume 11 — 1944

A

- Adrenals, water test in appraisal of function, 22
- Allergy: See status asthmaticus
- Anomalies of upper urinary tract, 9
- Asthma, remission, as result of anaphylactic shock, 47

B

- Biomicroscopy, slit lamp, 102
- Brain: See porencephalic cyst
- Bronchoscopy, 104
- Bunts, A. T.: Porencephalic cyst, 18

C

- Carcinoma of stomach, roentgenologic appearance of, 35
- Cataplexy, 79
- Crile, George, Jr.: Secondary closure of wounds, 1
- Cyst, porencephalic, 18
- Cystoscopy, 97

D

- Dickson, J. A.: Intramedullary fixation of certain fractures of both bones of the forearm, 62
- Dinsmore, R. S., and Ancona, V. S.: Reticulum cell sarcoma of jejunum, 77
- Drugs: See nearsphenamine

E

- Endoscopy, 87
- Esophagojejunostomy, roentgenologic appearance of, 32

F

- Fatigue, combat, 41
- Fluoroscopy: See roentgen rays
- Fracture of forearm, intramedullary fixation of, 62

G

- Gardner, W. J.: Protrusion of intervertebral disk, a common cause of sciatica, 66
- Gastrectomy, roentgenologic appearance of, 30, 32
- Glasser, Otto: Medical physics 53, 83, 87
- Gastroenterostomy, roentgenologic appearance of, 30
- Gastrosocopy, 93

H

- Haden, R. L.: The leukemias, 55
- Harris, H. E.: Paget's disease of skull complicated by mucocele of frontal sinuses, 74
- Harris, H. E.: Broncoscopy, 104
- Healing of wounds, 1
- Higgins, C. C.: Cystoscopy, 97
- Hughes, Robert, and Nichols, B. H.: Anomalous lesions of the upper urinary tract, 9

INDEX

I

- Intervertebral disk, rupture of, as cause of sciatica, 66
Intramedullary fixation of fractures of forearm, 62

J

- Jejunum, reticulum cell sarcoma of, 77
Jones, T. E.: Proctoscopy, 88

K

- Karnosh, L. J.: The neuroses of war, 38
Kidney, absence of, 15
 ectopic, 10
 fused, 15
Kirschner wire, in fixation of fractures of forearm, 62

L

- Larynx, chronic stenosis of, 5
LeFevre, F. A., and Burns, James: Thromboangiitis obliterans in women, 49
Leukemia, 55
Liver disease, peritoneoscopy in, 90

M

- McDonald, R. H.: Narcolepsy and cataplexy, 79
Medical physics, 53, 83, 87
Mental deficiency, as cause of war neuroses, 38
Moore, P. M., Jr.: Chronic laryngeal stenosis, 5
Mucocoele of frontal sinuses, 74
Myelography in diagnosis of ruptured intervertebral disk, 71

N

- Narcolepsy, 79
Neoarsphenamine, drug reaction to, 47
Neoplasm, gastric, roentgenologic appearance of, 27
Neuroses of war, 38
Neurosis, combat, 41

O

- Operations, gastric, roentgenologic appearance of, 31
Ophthalmoscopy, 102
Osteitis deformans, 74

P

- Paget's disease of skull with mucocoele of frontal sinus, 74
Peptic ulcer, roentgenologic appearance of, 33
Peritoneoscopy, 90
Physics, medical, 53, 83, 87
Porencephaly, 18
Proctoscopy, 88
Psychoneuroses, 39

R

- Radium therapy, 83
Radius and ulna, fracture of, 62
Renshaw, R. J. F.: Gastroscopy, 93
Resectoscope, 100
Retinoscope, 102
Roentgen rays: Examination of esophagojejunostomy, 32
 gastric neoplasm, 27
 peptic ulcer, 27, 33
 stomach after operation, 27
Roentgenotherapy, 83
Ruedemann, A. D.: Ophthalmoscope, 102

INDEX

S

- Sarcoma of jejunum, 77
- Schneider, R. W.: Appraisal of water test of adrenal function, 22
- Sciatica, caused by ruptured intervertebral disk, 66
- Shively, F. L., Jr.: Peritoneoscopy, 90
- Shock, anaphylactic, and remission of asthma, 47
- Sinuses, maxillary, mucocele of, 74
- Skin transplantation,
in closure of wounds, 2
in chronic laryngeal stenosis, 5
- Sleep, disorders, narcolepsy and cataplexy, 79
- Slit lamp biomicroscopy, 102
- Spine: See intervertebral disk
- Status asthmaticus, associated with other allergies, 43
treatment of, 45
- Stomach, cancer of, roentgenologic appearance of, 35
neoplasm of, roentgenologic appearance of, 27
inflammation of, roentgenologic appearance of, 34
- Stomach surgery: See gastrectomy
- Stomach after operation, roentgenologic appearance of, 27

T

- Templeton, F. E.: Stomach after operation, 27
- Thromboangiitis obliterans in women, 49
- Thomas, J. W., and House, F. B.: Status asthmaticus associated with other allergies, 43

U

- Ulna and radius, fracture of, 62
- Ureters: Ureteropelvic obstruction, 12
- Urethroscopy, 101
- Urinary tract, anomalous lesions of, 9

W

- War, neuroses of, 38
wounds, healing of, 1
- Water test, appraisal of, in adrenal function, 22
- Wire, Kirschner, in intramedullary fixation, 62
- Wounds, healing of, 1
