

INDEX

CLEVELAND CLINIC QUARTERLY—Volume 17—1950

A

- Abdominoperineal resection for carcinoma of rectum; closure of wound after, 5
- Agranulocytosis, acute; diagnosis and treatment of, 38
- Alexander, R. L.: Spastic lid deformities, 74
- Anemia, pernicious; massive vitamin B₁₂ therapy in, 166
- Angioneurotic edema; chronic urticaria, 229
- Announcements, 48, 128, 186, 252
- Arteriography in cerebral arteriovenous malformation, 22
- Artificial kidney: treatment of acute and chronic uremia, 216

B

- Bakody, J. T., Hazard, J. B. and Gardner, W. J.: Pigmented tumors of central nervous system, 89
- BAL, use of; in treatment of diabetic neuropathy, 197
- Banthine in treatment of duodenal ulcer; treatment of, 234
- Battle, J. D., Jr.: Diagnosis and treatment of acute agranulocytosis, 38
—See Bortz, D. W.
- Beryllium skin granulomas from broken fluorescent tube, 34
- Biopsy of liver: needle, 64

- Bortz, D. W. and Battle, J. D., Jr.: Massive vitamin B₁₂ therapy in pernicious anemia, 166
- Brown, C. H. and Collins, E. N.: Use of Banthine in treatment of duodenal ulcer, 234
- Brown, C. H. See Rossmiller, H. R.
- Bunts, A. T. See Howarth, J. C.
- Bunts Institute, Frank E.: General surgery, 45; proceedings urinary tract disorders, 112, 169

C

- Carcinoma of cardiac portion of stomach, 154
- Carcinoma of cervix, 242
- Carmody, M. G. See Van Ordstrand, H. S.
- Cerebral arteriovenous malformation; arteriography in, 22
- Changing trends in surgery of colon, 209
- Chromates; effect on teeth, 31
- Chronic urticaria and angioneurotic edema, 229

- Clinical significance of hematuria, 160
- Collins, E. N.: Treatment of peptic ulcer, 129
—See Brown, C. H.
- Complications of hiatus hernia, 58
- Corcoran, A. C.: Renal mechanisms in maintenance of fluid and electrolyte balance, 102
- Crile, George, Jr. and Robnett, A. H.: Primary closure of posterior wound after combined abdominoperineal resection for carcinoma of rectum, 5
—Effler, D. B., and Scheid, J. E.: Carcinoma of cardiac portion of stomach, 154
—and Turnbull, R. B.: Changing trends in surgery of colon, 209
- Cystinuria and cystine calculi, 80
- Cysts; sacral perineurial, 106

D

- De Nardi, J. M. See Van Ordstrand, H. S.
- de Wolfe, V. G.: Lymphedema, 26
- Diagnosis and management of pyelonephritis, 1
- Diagnosis and treatment of acute agranulocytosis, 38
- Dorsey, J. F. and Netherton, E. W.: Mycosis fungoides, 19
- Drugs on market, 9

E

- Effect of chromates on teeth, 31
- Effler, D. B.: Complications of hiatus hernia, 58
—See Crile, George, Jr.
- Engel, W. J. See Michels, A. G.
- Evans, J. R. and Johnston, C. R. K.: Chronic urticaria and angioneurotic edema, 229

F

- Fluid and electrolyte balance; renal mechanisms, 102

G

- Gardner, W. J. See Bakody, J. T.
- Geist, R. M., Jr. See Wise, R. E.

H

- Harris, H. E. and Meadows, F. C.: Skin grafts in mastoid cavities, 191
- Hays, R. A. and Portmann, U. V.: Carcinoma of cervix, 242

INDEX

- Hazard, J. B. See Bakody, J. T.
Hematuria; clinical significance of, 160
Hemorrhage, gastrointestinal; massive upper, 141
Hiatus hernia; complications of, 58
Higgins, C. C.: Clinical significance of hematuria, 160
Hodgkin's disease and pregnancy, 149
Hoerr, S. O.: Massive upper gastrointestinal hemorrhage, 141
Howarth, J. C. and Bunts, A. T.: Intracranial meningioma following trauma, 14
- I**
- Intracranial meningioma following trauma, 14
- J**
- Johnston, C. R. K. See Evans, J. R.
- K**
- Kidney, artificial; treatment of acute and chronic uremia, 216
Kolff, W. J.: Artificial kidney; treatment of acute and chronic uremia, 216
- L**
- Leiter, Louis: Uremia, 49
Lid deformities, senile spastic; surgical correction, 74
Liver; needle biopsy of, 64
Lymphedema, 26
- M**
- Massive upper gastrointestinal hemorrhage, 141
Massive vitamin B₁₂ therapy in pernicious anemia, 166
Mastoid cavities; skin grafts in, 191
Meadows, F. C. See Harris, H. E.
Meningioma, intracranial; following trauma, 14
Michels, A. G. and Engel, W. J.: Cystinuria and cystine calculi, 80
Mulvey, B. E. See Portmann, U. V.
Mycosis fungoides, 19
- N**
- Needle biopsy of liver, 64
Nervous system, central; pigmented tumors of, 89
Netherton, E. W. See Dorsey, J. F.
—See Van Ordstrand, H. S.
- P**
- Peptic ulcer; treatment of, 129
- Pigmented tumors of central nervous system, 89
Portmann, U. V. and Mulvey, B. E.: Hodgkin's disease and pregnancy, 149
—See Hays, R. A.
Primary closure of posterior wound after combined abdominoperineal resection for carcinoma of rectum, 5
Pyelonephritis; diagnosis and management of, 1
- R**
- Renal mechanisms in maintenance of fluid and electrolyte balance, 102
Resch, C. A.: Effect of chromates on teeth, 31
Robnett, A. H. See Crile, George, Jr.
Rossmiller, H. R., Brown, C. H. and Whitman, J. F.: Needle biopsy of liver, 64
- S**
- Sacral perineurial cysts, 106
Scheid, J. E. See Crile, George, Jr.
Schneider, R. W.: Use of BAL in treatment of diabetic neuropathy, 197
Senile spastic lid deformities—their surgical correction, 74
Skin grafts in mastoid cavities, 191
Sollman, T. H.: Drugs on market, 9
- T**
- Taylor, R. D.: Diagnosis and management of pyelonephritis, 1
Treatment of peptic ulcer, 129
Turnbull, R. B. See Crile, George, Jr.
- U**
- Ulcer, duodenal; use of Banthine in treatment of, 234
Uremia, 49
Uremia, treatment of acute and chronic; artificial kidney, 216
Urticaria, chronic; and angioneurotic edema, 229
Use of BAL in treatment of diabetic neuropathy, 197
Use of Banthine in treatment of duodenal ulcer, 234
- V**
- Van Ordstrand, H. S., Netherton, E. W., De Nardi, J. M. and Carmody, M. G.: Beryllium skin granulomas from broken fluorescent tube, 34
- W**
- Weiford, E. C.; Sacral perineurial cysts, 106
Whitman, J. F. See Rossmiller, H. R.
Wise, R. E. and Geist, R. M.: Arteriography in cerebral arteriovenous malformation, 22
