

TABLE OF CONTENTS

FROM THE EDITOR

Addressing both sides of a difficult controversy 8

Should a promising technology be widely applied before the data are in?

J.D. CLOUGH

1-MINUTE CONSULT

Brief answers to specific clinical questions

Should all college-bound freshmen receive meningococcal vaccine? 9

Although freshmen living in dormitories have a higher risk, the CDC advises education rather than routine vaccination.

S.M. GORDON

Should a patient with a brain tumor receive anticoagulation for a thromboembolic event? 13

Although many physicians are reluctant to use anticoagulation in this situation, brain tumors are not an absolute contraindication to anticoagulation.

A. MORALES AND D.J. ADELSTEIN

MEDICAL GRAND ROUNDS

Radiofrequency ablation of the pulmonary veins: Can it stop atrial fibrillation at its source? 17

Atrial fibrillation appears to originate in the pulmonary veins; ablation could be a cure.

A. NATALE

IM BOARD REVIEW

An elderly woman with drug-induced coma in winter 25

What is the cause of this patient's symptoms? A self-test on a clinical case.

I.B. ORIIA AND S.B. COHEN

REVIEW

Diagnosing interstitial lung disease: A practical approach to a difficult problem 33

An algorithm identifies key diagnostic clues in the patient's history, physical examination, and radiographic findings.

K.R. FLAHERTY AND F.J. MARTINEZ

REVIEW

Heart failure disease management: A team approach 53

To treat heart failure effectively you need a team and you need a plan. In short, you need a program.

N.M. ALBERT AND J.B. YOUNG

**PATIENT
INFORMATION**

What you can do to keep your heart failure under control 63

REVIEW

What the internist needs to know about infertility 65

Primary care physicians can handle most inquiries from patients about infertility and begin an office-based assessment.

T. FALCONE

**PATIENT
INFORMATION**

Polycystic ovary syndrome and infertility 73

CANCER DIAGNOSIS AND MANAGEMENT

Spiral CT for lung cancer screening: Is it ready for prime time? 74

Although low-dose spiral CT shows promise for lung cancer screening, many questions remain.

P. JAIN AND A.C. ARROLIGA

LETTERS TO THE EDITOR

Preventive medicine and screening 82
