

TABLE OF CONTENTS

FROM THE EDITOR

Keeping up with medical 'truth'

583

It's now documented: by the time you retire, half of what you learned in medical school will be false or obsolete.

J.D. CLOUGH

1-MINUTE CONSULT

Brief answers to specific clinical questions

'White coat hypertension'—should it be treated or not?

584

Treatment is controversial, and any benefit of treatment is unproven.

T. PICKERING

EDITORIAL

Hyperuricemia and gout: A reign of complacency

589

We physicians have become complacent about gouty arthritis, developing a false sense of confidence that we actually know how to manage it.

B.F. MANDELL

REVIEW

Asymptomatic hyperuricemia: To treat or not to treat

594

Most people with asymptomatic hyperuricemia do not need further workup or treatment. Who are the exceptions?

H.E. DINCER, A.P. DINCER, AND D.J. LEVINSON

CANCER DIAGNOSIS AND MANAGEMENT

Progress in preventing chemotherapy-induced nausea and vomiting

609

Our understanding of the pathophysiology of emesis has improved, and we now have drugs that can prevent acute emesis in most patients. Delayed and anticipatory emesis remain a challenge.

M. MARKMAN

CURRENT DRUG THERAPY

Inflammatory bowel disease: Sorting out the treatment options 621

Options now include aminosalicylates, steroids, azathioprine, 6-mercaptopurine, cyclosporine, methotrexate, infliximab, heparin, and perhaps even antimicrobials and nicotine. How to choose?

J.M. WOLF AND B.A. LASHNER

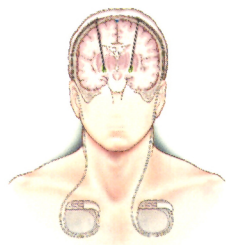

IM BOARD REVIEW

A 62-year-old man with hypotension and an abnormal chest radiograph 632

What is the cause of this patient's symptoms? A self-test.

K.M. CHAN-TACK, S. STANDRIDGE, AND E. ADELSTEIN

MEDICAL GRAND ROUNDS

Two advances in the management of Parkinson disease 639

Second-generation dopamine agonists may be preferable to levodopa early in the disease. Deep brain stimulation is remarkably effective in refractory cases.

E.B. MONTGOMERY, JR.

REVIEW

Endometriosis: Still tough to diagnose and treat 647

Despite advances, endometriosis is still tough to diagnose, treat, and live with.

M. ATTARAN, T. FALCONE, AND J. GOLDBERG

PATIENT
INFORMATION

Endometriosis: What it is and how it is treated 654

DEPARTMENTS

CME Credit Test

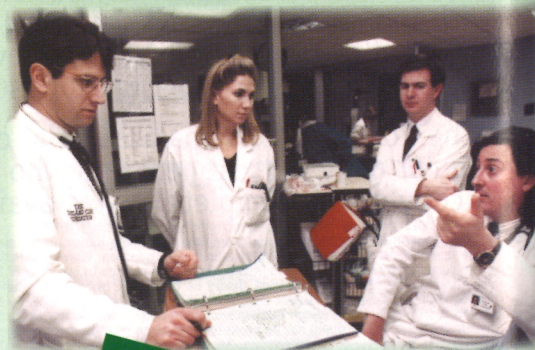

655

- The *Cleveland Clinic Journal of Medicine* is peer-reviewed and indexed in *Index Medicus*.

UPCOMING FEATURES

- Hormone replacement: More harm than good?
- Strategies for treating type 2 diabetes
- Risedronate and fracture prevention
- The ACUTE trial: How it will guide cardioversion in AF
- Rethinking pre dental antibiotic prophylaxis
- Options and issues in heart failure
- Narrowing the differential diagnosis of hematuria
- When you suspect elder abuse
- Choosing the best valve operation and prosthesis
