FROM THE EDITOR

MGUS: It's about the protein, not just the marrow 4

What is a cause of a high erythrocyte sedimentation rate with a normal C-reactive protein and a low anion gap?

B.F. MANDELL

THE CLINICAL PICTURE.....

Acute-onset quadriplegia with hyperreflexia 7

MRI showed diffuse T2 hyperintensity beginning at the level of the medulla and extending to the level of C7.

N. SHAIKH, M. SARDAR, W. KHAN, AND W. GHALI

THE CLINICAL PICTURE.....

Emphysematous cystitis 10

The patient had fallen in her home and remained on the floor for 2 days until neighbors heard her cries and called 911.

W. ABUSNINA, M. SHEHATA, S. NASSRI, AND F. ZEID

1-MINUTE CONSULT

When can I stop dual antiplatelet therapy in patients with drug-eluting stents? 13

The decision requires balancing the risk of thrombosis against the risk of bleeding. A cardiologist can help.

J.S. RICO-MESA, C. URIBE, M. PRASAD, AND S.A. LUIS

1-MINUTE CONSULT

Should metformin be used in every patient with type 2 diabetes? 17

Most patients should receive it, with exceptions. Nevertheless, it is underused.

V. MAKIN AND M.C. LANSANG

SYMPTOMS TO DIAGNOSIS

Rapidly progressive pleural effusion 21

A 33-year-old nonsmoker presents with severe pleuritic chest pain; the differential diagnosis is broad.

Z. ZOUMOT, A.S. WAHLA, AND S. FARHA

TALL ROUNDS®

Progress in diagnosing and managing cardiac amyloidosis 29

Early diagnosis can often be made noninvasively; new treatments are effective and well-tolerated.

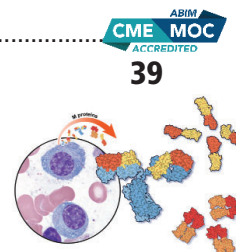

M. HANNA, C. HUDED, E.R. RODRIGUEZ, D. PHELAN, D. KWON, W. JABER, J. VALENT, AND M.Z.-Y. TONG

REVIEW

Monoclonal gammopathy of undetermined significance: A primary care guide

Low-risk MGUS may not require subspecialty referral and can be followed by the outpatient provider.

J. KHOURI, C. SAMARAS, J. VALENT, A.M. GARCIA, B. FAIMAN, S. MATHUR, K. HAMILTON, M. NAKASHIMA, AND M. KALAYCIO

REVIEW

Hypertension guidelines: Treat patients, not numbers

When treating high blood pressure, how low should we try to go? Debate continues.

W. ALEYADEH, E. HUTT-CENTENO, H.M. AHMED, AND N.P. SHAH

REVIEW

Common benign breast concerns for the primary care physician

Because breast cancer is so common, women with breast problems often fear the worst. They needn't.

C.L. KLASSEN, S.L. HINES, AND K. GHOSH

REVIEW

Who needs to carry an epinephrine autoinjector? 66

Patients who have had anaphylaxis or who are at risk of it should carry an epinephrine autoinjector with them at all times.

T.T. SONG AND P. LIEBERMAN
