

INDEX
to
CLEVELAND CLINIC QUARTERLY

Volume 15 — 1948

A

Appointments, 45, 109, 158, 202

B

Backache; mechanical—most common type of low back pain, 113

Bacterial endocarditis, penicillin-resistant subacute; streptomycin for, 1

Bell, Eric, Jr., Williams, G. H., Jr., and Karnosh, L. J.: Tetraethylammonium chloride in multiple sclerosis, 90

Bone marrow studies in Hodgkin's disease, 36

Bortz, D. W., and Haden, R. L.: Polycythemia vera rubra treated with nitrogen mustard, 54

Bunts, A. T.: Surgical treatment of spasmodic torticollis, 47

Bunts Institute, Frank E.: Diseases of veins, arteries, and lymph vessels, 42; diseases of digestive tract, 156

C

Campion, W. M., and Diggs, L. W.: Bone marrow studies in Hodgkin's disease, 36

Carcinoma of pancreas, 30

Carcinoma of stomach, 152

Carcinoma of thyroid gland apparently in struma fibrosa (Riedel), 104

Chondroma of larynx, 4

Cleveland Clinic news, 109; 158

Collins, E. N. See Goodwin, F. H.

Colon, diverticulosis of, 194

Congestive heart failure; treatment of, 134

Contact x-ray therapy for superficial lesions, 74

Corcoran, A. C.: Glycosuria; mechanism and evaluation, 186

Crile, George, Jr. and Dempsey, W. S.: Treatment of gastric ulcer, 147

D

Dempsey, W. S., and Jones, T. E.: Venous mesenteric thrombosis, 140

—See Crile, George, Jr.

Dickson, J. A.: Ununited fractures of neck of femur, 56

Diggs, L. W. See Campion, W. M.

Dinsmore, R. S., and Hazard, J. B.: Carcinoma of thyroid gland apparently in struma fibrosa (Riedel), 104

Diverticulosis of colon, 194

Docter, L., and Kennedy, R. J.: Tumors of orbit, 99

E

Echinococcus cyst of liver, 92

Ensign, W. G. See Rossmiller, H. R.

Eosinophilic granuloma, 26

Ernstene, A. C.: Treatment of congestive heart failure, 134

—See McGarvey, C. J.

F

Falomir, J. M., and Hughes, C. R.: Carcinoma of pancreas, 30

Femur, neck of; ununited fractures of, 56

Fracture of supra-orbital ridge and frontal sinus; tantalum cranioplasty in, 125

Frontal sinus surgery; use of tantalum tubes in, 129

G

Gastric ulcer; treatment of, 147

Giant urethral calculus, 9

Glycosuria; mechanism and evaluation, 186

Goodwin, F. H., and Collins, E. N.: Diverticulosis of colon, 194

Granuloma; eosinophilic, 26

H

- Haden, R. L. See Bortz, D. W.
 —See Hewlett, J. S.
- Harris, H. E.: Use of tantalum tubes in frontal sinus surgery, 129
- Hausfeld, K. F. See Higgins, C. C.
- Hazard, J. B. See Dinsmore, R. S.
- Heart failure; congestive, treatment of, 134
- Hepatitis associated with undulant fever, 184
- Hereditary pseudoheophilia, 118
- Hewlett, J. S., and Haden, R. L.: Hereditary pseudoheophilia, 118
- Higgins, C. C., and Hausfeld, K. F.: Giant urethral calculus, 9
- Hodgkin's disease, bone marrow studies in, 36
- Hughes, C. R. See Falomir, J. M.
 —See McPheron, W. G.
- Hypertension, types of; relationship to therapy, 166
- Hypervitaminosis D, 82

J

- Jones, T. E. See Dempsey, W. S.
 —See Metzner, W. R. T.

K

- Kammer, H. See Schneider, R. W.
- Karnosh, L. J. See Bell, Eric, Jr.
- Kendrick, J. I., and Woodruff, J. B., Jr.: Eosinophilic granuloma, 26
- Kennedy, R. J. See Docter, L.

L

- Larynx; chondroma of, 4
- La Tona, S. R., and Le Fevre, Fay: Thromboangiitis obliterans, 12
- Le Fevre, Fay. See La Tona, S. R.
- Lesions, superficial; contact x-ray therapy for, 74
- Lipscomb, Alys: Types of essential hypertension and their relationship to therapy, 166
- Liver, echinococcus cyst of, 92
- Low back pain; "mechanical backache"—most common type of, 113
- Lower, W. E.: Memorial tributes, 159

M

- McGarvey, C. J., and Ernstene, A. C.: Streptomycin for penicillin-resistant subacute bacterial endocarditis, 1
- McPheron, W. G., and Hughes, C. R.: Echinococcus cyst of liver, 92
- Measures of renal tubular function, 143
- "Mechanical backache"—most common type of low back pain, 113
- Memorial tributes; W. E. Lower, 159
- Metzner, W. R. T., and Jones, T. E.: Primary splenic sarcomas of Hodgkin's type, 18
- Moore, P. M., Jr.: Chondroma of larynx, 4
- Multiple sclerosis; tetraethylammonium chloride in, 90

N

- News; Cleveland Clinic, 109; 158
- Nitrogen mustard; polycythemia vera rubra treated with, 54
- Nosik, W. A.: Tantalum cranioplasty in fracture of supra-orbital ridge and frontal sinus, 125

O

- Obliterans; thromboangiitis, 12
- Orbit, tumors of, 99

P

- Pancreas, carcinoma of, 30
- Phalen, G. S.: "Mechanical backache"—most common type of low back pain, 113
- Pneumonia, virus, 173
- Polycythemia vera rubra treated with nitrogen mustard, 54
- Portmann, U. V.: Contact x-ray therapy for superficial lesions, 74
- Primary splenic sarcomas of Hodgkin's type, 18
- Pseudoheophilia; hereditary, 118

R

- Renal tubular function; measures of, 143
- Rossmiller, H. R., and Ensign, W. G.: Hepatitis associated with undulant fever, 184

S

- Sarcomas, primary splenic; of Hodgkin's type, 18
- Schneider, R. W., and Kammer, H.: Hypervitaminosis D, 82

INDEX

Stomach; carcinoma of, 152
 Streptomycin for penicillin-resistant subacute bacterial endocarditis, 1
 Struma fibrosa (Riedel); carcinoma of thyroid gland apparently in, 104
 Sundgren, V.: See Van Ordstrand, H. S.
 Superficial lesions; contact x-ray therapy for, 74
 Supra-orbital ridge and frontal sinus; tantalum cranioplasty in fracture of, 125
 Surgical treatment of spasmodic torticollis, 47

T

Tantalum cranioplasty in fracture of supra-orbital ridge and frontal sinus, 125
 Tantalum tubes in frontal sinus surgery; use of, 129
 Taylor, R. D.: Measures of renal tubular function, 143
 Tetraethylammonium chloride in multiple sclerosis, 90
 Thromboangiitis obliterans, 12
 Thrombosis; venous mesenteric, 140
 Thyroid gland, carcinoma of; apparently in struma fibrosa (Riedel), 104

Torticollis, spasmodic; surgical treatment of, 47
 Treatment of congestive heart failure, 134
 Treatment of gastric ulcer, 147
 Tucker, John: Carcinoma of stomach, 152
 Tumors of orbit, 99
 Types of essential hypertension and their relationship to therapy, 166

U

Undulant fever; hepatitis associated with, 184
 Ununited fractures of neck of femur, 56
 Urethral calculus; giant, 9
 Use of tantalum tubes in frontal sinus surgery, 129

V

Van Ordstrand, H. S., and Sundgren, V.:
 Virus pneumonia, 173
 Venous mesenteric thrombosis, 140
 Virus pneumonia, 173

W

Williams, G. H., Jr. See Bell, Eric, Jr.
 Woodruff, J. B., Jr. See Kendrick, J. I.
