

INDEX

to

CLEVELAND CLINIC QUARTERLY

Volume 16 — 1949

A

- Acute toxic ulcerative colitis; medical treatment of, 126
- Adenoma; bronchial, 12
- Amoebic hepatic abscess with bronchohepatic fistula, 142
- Announcements, 59, 107, 183, 248
- Arterial infusion, 216

B

- Battle, J. D., Jr.: Thrombopenic purpura, 81
- Bortz, D. W. and Haden, R. L.: Diagnosis and treatment of macrocytosis, 8
- The value of vitamin B₁₂ in pernicious anemia, 148
- See Haserick, J. R.
- Brown, C. H.: Idiopathic steatorrhea, 52
- and Perry, J. H., III: Medical treatment of acute ulcerative colitis, 126
- Bunts Institute, Frank E.: Diabetes, 60; proceedings diabetes course, 167, 223; medical and surgical disorders of urinary tract, 246

C

- Cancer; use of hormones in, 21
- Cardiac arrhythmias; diagnosis and treatment of, 185
- Cerebral hemiatrophy; double ventricular shift in case of, 17
- Colitis, acute toxic ulcerative; medical treatment of, 126
- Collins, E. N., and Russell, P. W.: Fatal magnesium poisoning, 162
- See Michels, A. G.
- Convulsions; rheumatic brain disease as cause of, 136
- Coughing and unconsciousness, the so-called laryngeal vertigo, 200

- Crile, George, Jr., McCullagh, E. P., and Glasser, Otto: Radioactive iodine in treatment of hyperthyroidism, 1
- Cutaneous lymphoblastoma; skin imprints in, 86
- Cysticercosis; intracranial, 74

D

- Dempsey, W. S., Dinsmore, R. S., and Hazard, J. B.: Struma lymphomatosa, 132
- Diabetes; modern trends in, 109
- Diagnosis and treatment of cardiac arrhythmias, 185
- Diagnosis and treatment of macrocytosis, 8
- Dinsmore, R. S. See Dempsey, W. S.
- Double ventricular shift in case of cerebral hemiatrophy, 17

E

- Effer, D. B.: Bronchial adenoma, 12
- Mediastinal tumors, 98
- Solitary lung metastasis, 196
- Engel, W. J.: Vesical neck resection for neurogenic bladder, 211
- Ernstene, A. C.: Diagnosis and treatment of cardiac arrhythmias, 185
- Fatal magnesium poisoning, 162
- Fistula, bronchohepatic; amoebic hepatic abscess with, 142

G

- Gardner, W. J. See McClure, C. C.
- Geist, R. M., Jr., and Hughes, C. R.: Double ventricular shift in case of cerebral hemiatrophy, 17
- Glasser, Otto. See Crile, George, Jr.
- Glaucoma, 61
- Goodall, R. J. See Nosik, W. A.
- Granulomas; spinal extradural, 205

H

- Haden, R. L. See Bortz, D. W.
 Hale, D. E.: Arterial infusion, 216
 Hannan, J. R., and Mason, R. L.: Spinal extradural granulomas, 205
 Haserick, J. R., and Bortz, D. W.: A new diagnostic test for acute disseminated lupus erythematosus, 188
 —Skin imprints in cutaneous lymphoblastoma, 86
 Hazard, J. B. See Dempsey, W. S.
 Higgins, C. C. See Warden, J. G.
 Hormones, sex; use of in cancer, 21
 Hughes, C. R. See Geist, R. M.
 Hyperthyroidism; use of radioactive iodine in treatment of, 1

I

- Idiopathic steatorrhea, 52
 Infusion, arterial 216
 Intestinal intubation, 68
 Intestinal obstruction, 154
 Intracranial cysticercosis, 74
 Intracranial stab wounds; transorbital, 118
 Intractable pain; prefrontal lobotomy for relief of, 91

J

- Jones, T. E. See Michels, A. G.

K

- Karnosh, L. J. See Whitman, J. F.
 —See Proudfit, J. P.
 Kennedy, R. J.: Glaucoma, 61

L

- Laryngeal vertigo, so-called; coughing and unconsciousness, 200
 Le Fevre, Fay: Thrombophlebitis, 33
 Lobotomy, prefrontal; for relief of intractable pain, 91
 Lupus erythematosus, acute disseminated; new diagnostic test for, 158
 Lymphoblastoma, cutaneous; skin imprints in, 86
 Lymphomatosa; struma, 132

M

- Macrocytosis; diagnosis and treatment of, 8
 Magnesium poisoning; fatal, 162
 Mason, R. L. See Hannan, J. R.
 McClure, C. C., Jr., and Gardner, W. J.: Transorbital intracranial stab wounds, 118
 McCullagh, E. P. See Crile, George, Jr.
 —The use of sex hormones in cancer, 21
 Mediastinal tumors, 98
 Medical treatment of acute toxic ulcerative colitis, 126
 Mesenteric cyst with intestinal obstruction, 47
 Michels, A. G., and Jones, T. E.: Mesenteric cyst with intestinal obstruction, 47
 —Van Ordstrand, H. S., and Collins, E. N.: Amoebic hepatic abscess with broncho-hepatic fistula, 142
 Miller, T. G.: Intestinal intubation, 68

N

- Neurogenic bladder; vesical neck resection for, 211
 New diagnostic test for acute disseminated lupus erythematosus, 158
 Nosik, W. A., and Goodall, R. J.: Intracranial cysticercosis, 74

P

- Pernicious anemia; value of vitamin B₁₂ in, 148
 Perry, J. H., III. See Brown, C. H.
 Prefrontal lobotomy for relief of intractable pain; value and limitations, 91
 Proudfit, J. P., and Karnosh, L. J.: Coughing and unconsciousness; the so-called laryngeal vertigo, 200

R

- Radioactive iodine in treatment of hyperthyroidism, 1
 Reimplantation of ureter into bladder, 38
 Rheumatic brain disease as cause of convulsions, 136
 Ricketts, H. T.: Modern trends in diabetes, 109
 Root, J. C.: Intestinal obstruction, 154
 Russell, P. W. See Collins, E. N.

INDEX

S

Skin imprints in cutaneous lymphoblastoma, 86
 Solitary lung metastasis, 196
 Spinal extradural granulomas, 205
 Steatorrhea; idiopathic, 52
 Struma lymphomatosa, 132

T

Thrombophlebitis, 33
 Thrombopenic purpura, 81
 Transorbital intracranial stab wounds, 118
 Tumors; mediastinal, 98

U

Ulcerative colitis, acute; medical treatment of, 126
 Ureter, reimplantation of; into bladder, 38

V

Van Ordstrand, H. S. See Michels, A. G.
 Vesical neck resection for neurogenic bladder, 211
 Vitamin B₁₂, value of; in pernicious anemia, 148

W

Warden, J. G., and Higgins, C. C.: Reimplantation of ureter into bladder, 38
 Whitman, J. F., and Karnosh, L. J.: Rheumatic brain disease as cause of convulsions, 136
 Williams, G. H., Jr.: Prefrontal lobotomy for relief of intractable pain, 91
