CLEVELAND CLINIC QUARTERLY—VOLUME 50, 1983

SUBJECT INDEX

ABDOMEN, ACUTE
Evaluation of acute right upper quadrant pain, 247
ACYCLOVIR
Does acyclovir have an adjunctive role in plantar wart therapy? (letter), 213
AGRANULOCYTOSIS
Comparative efficacy and toxicity of moxalactam and the combination of nafcillin and tobramycin in febrile granulocytopenic patients, 385
AICARDI'S SYNDROME
Aicardi's syndrome: report of an autopsied case and review of the literature, 341
AIDS
See Immunologic deficiency syndromes
ALLERGY AND IMMUNOLOGY
Radioallergosorbent test (RAST)—reliable tool or poor substitute?, 361
ALOPECIA, FEMALE PATTERN
Adrenal androgenic female-pattern alopecia: sex hormones and the balding woman, 111
ANEMIA, MACROCYTIC
Masked macrocytosis and the use of serum vitamin B_{12} and folate assays, 439
ANGELCHIK PROSTHESIS
See Prosthesis
ANGINA PECTORIS
Coronary insufficiency and 5-fluorouracil therapy, 29
ANGIOSARCOMA
Angiosarcoma of the face: report of a case, 38
ANOREXIA NERVOSA
Anorexia nervosa: an overview, 371
ANTIBIOTICS
Comparative efficacy and toxicity of moxalactum and the combination of nafcillin and tobramycin in febrile granulocytopenic patients, 385
ANTIGENS, IMMUNE RESPONSE
Influence of HLA AB and DR antigen matching in transfused cadaver renal transplant patients, 227
AORTIC COARCTATION
Hypoplastic left heart syndrome: medical management and practical surgical palliation, 269
ARCHIVES OF THE CLEVELAND CLINIC QUARTERLY
New diagnostic test for acute disseminated lupus erythematosus (CCQ 1949), 59
Beryllium skin granulomas from a broken fluorescent tube (CCQ 1950), 69
Cutaneous sensitivity to monoglycerol para-aminobenzoate (CCQ 1951), 77
Massive doses of cortisone in the control of acute lupus crisis in systemic lupus erythematosis (CCQ 1951), 87
Remission of lesions in mycosis fungoides following topical application of nitrogen mustard (CCQ 1959), 91
Methotrexate for psoriasis (CCQ 1965), 101
ARCHIVES, COMMENTARY AND UPDATE
Commentary: LE test in retrospect, 63
Commentary and update: Serological tests for diagnosis of systemic lupus erythematosis (SLE), 65
Commentary and update: Berryllium granulomas of the skin: a small window to understanding, 73
Commentary and update: Cutaneous sensitivity to monoglycerl para-aminobenzoate, 85
Commentary: Cortisone therapy in SLE, 89
Commentary: Topical nitrogen mustard in mycosis fungoides, 95
Commentary and update: Topical chemotherapy with mechlorethamine for mycosis fungoides, 97
Commentary and update: Methotrexate for psoriasis—two decades later, 107
ART
A medical tour through the Cleveland Museum of Art, 417
ARTERIES, CYSTIC DEGENERATION
Unusual cause of claudication in a 48-year-old-man, 46
ARTERIOVENOUS MALFORMATIONS, CEREBRAL
See Cerebral arteriovenous malformations
ARTHRITIS, RHEUMATOID
Cytodiagnosis of rheumatoid pleural effusion, 445
Membrane plasmapheresis with cryofiltration in rheumatoid arthritis, 11
ASCITES
Ascitic fluid removal: does it cause renal or hemodynamic decompensation?, 397

BERYLLIUM
Beryllium skin granulomas from a broken fluorescent tube: report of a case (archives), 69
Commentary and update: beryllium granulomas of the skin: a small window to understanding, 73
BONE DISEASES, DEVELOPMENTAL
Massive intramuscular myxoma associated with fibrous dysplasia of bone, 469
BONE DYSPLASIAS
See Bone diseases, developmental
BOOK REVIEWS
Controversies in Coronary Artery Disease, by Shahbudin H. Rahimtoola, 477
Emergency Medicine—A Quick Reference for Primary Care, by John E. Hocutt, Jr., 251
Handbook of Medical Treatment, by H. David Watts, 477
Physical Examination of the Heart and Circulation, by Joseph K. Perloff, 251
Specialty Board Review: Internal Medicine, by Robert E. Pieroni,

251
BRAIN MAPPING
The role of surgery in epilepsy, 353
BRAIN NEOPLASMS
Combined desmopressin (DDAVP) and chlorpropamide therapy for diabetes insipidus with absent thirst, 351
BREAST FEEDING
Relationship of breast feeding and weight loss to jaundice in the newborn period: review of the literature and results of a study, 263
BULIMIA
Aspects of bulimia, 19

CARCINOMA, BASAL CELL
Severe irritant dermatitis mimicking a basal cell carcinoma, 465
CEREBRAL ARTERIOVENOUS MALFORMATIONS, SURGERY
Great vein of Galen malformations in infancy, 295
CEREBRAL ANOXIA
Pediatric cerebral resuscitation, 317
CEREBRAL RESUSCITATION
Pediatric cerebral resuscitation, 317
CHEMOTHERAPY, COMPLICATIONS
Coronary insufficiency and 5-fluorouracil therapy, 29
CHROMOSOME ABNORMALITIES
Cytogenetics of acute leukemia in 90 children and young adults, 283
CIRRHOSIS, Liver
See Liver cirrhosis
COLLAGEN, IMPLANTATION
Necrobiotic granuloma formation at a collagen implant treatment site, 163
COMMENTARY
From PPI to PIL to PMI: Can the private sector do it better?, 26
Will the real Indian childhood cirrhosis please stand up, 323
CONNECTIVE TISSUE DISEASES
Mixed connective tissue disease in identical twins: a sclerodermoid variant with concurrent psoriasis, 205
CORONARY VESSELS, SURGERY
Myocardial revascularization at The Cleveland Clinic Foundation—1981, 2
CORPUS CALLOSUM
Aicardi's syndrome: report of an autopsied case and review of the literature, 341
CORTISONE
Massive doses of cortisone in the control of acute lupus crisis in systemic lupus erythematosus (archives), 87
Commentary: cortisone therapy in SLE, 89
CRANIOPHARYNGIOMA
Combined desmopressin (DDAVP) and chlorpropamide therapy for diabetes insipidus with absent thirst, 351
CRYPTOSPORIDIOSIS
Cryptosporidial enteritis in a homosexual male with an acquired immunodeficiency syndrome, 41

DEHYDROEPIANDROSTERONE-SULFATE (DHEAS)
Adrenal androgenic female-pattern alopecia: sex hormones and the balding woman, 111
DEPRESSION
Thyroid dysfunction and lithium, 32
DERMATITIS, CLOTHING
Contact dermatitis to knee patch adhesive in boys' jeans: a nonoccupational cause of epoxy resin sensitivity, 123
DERMATITIS, CONTACT
Contact dermatitis to knee patch adhesive in boys' jeans: a nonoccupational cause of epoxy resin sensitivity, 123
DERMATITIS, IRRITANT
Severe irritant dermatitis mimicking a basal carcinoma, 465
DERMATOLOGY FEATURE
Angiosarcoma of the face: report of a case, 38
Severe irritant dermatitis mimicking a basal cell carcinoma, 465
DESMOPRESSIN (DDAVP)
Combined desmopressin (DDAVP) and chlorpropamide therapy for diabetes insipidus with absent thirst, 351
DIABETES INSIPIDUS
Combined desmopressin (DDAVP) and chlorpropamide therapy for diabetes insipidus with absent thirst, 351
DIPLOIDY
Cytogenetics of acute leukemia in 90 children and young adults, 283
DRUGS
From PPI to PIL to PMI: can the private sector do it better? 26
DYSMENORRHEA
Dysmenorrhea—myths and facts, 367

ECHOCARDIOGRAPHY
See Heart, ultrasound studies
EDITORIALS
Androgens and the pilosebaceous follicle in women: technology catches up with the clinician, 55
Breast milk jaundice—early and late, 339
Cleveland Clinic Quarterly: a new direction, 1
Home care ventilation, 215
Influence of HLA, AB, and DR antigen matching in transfused cadaver renal transplant patients, 216
Lasers in dermatology—1983, 53
Pediatric festschrift in honor of Robert Dean Mercer, M.D., 253
To our regular subscribers and to our colleagues in dermatology throughout the United States, 51
Understanding the meniscus, 377
Value of persistence and thoroughness in searching for the allergen in contact dermatitis, 56
ELEPHANTIASIS
Pretibial myxedema (elephantiasic form): treatment with cytotoxic therapy, 183
EPIDURAL SPACE
See Spinal canal
EPILEPSY
Valproate-induced hyperammonemia in asymptomatic children, 275
EPILEPSY, SURGERY
The role of surgery in epilepsy, 353
EPOXY RESINS
Contact dermatitis to knee patch adhesive in boys' jeans: a nonoccupational cause of epoxy resin sensitivity, 123
ERRATUM
Teratoma of the tongue in a newborn, 480
ESOPHAGEAL PERFORATION
Esophageal perforation: a complication of the Angelchik prosthesis, 449
ETHICS, MEDICAL
Clinical research and ethics, 28

FLUOROURACIL
Coronary insufficiency and 5-fluorouracil therapy, 29
FOLIC ACID DEFICIENCY
Masked macrocytosis and the use of serum vitamin B_{12} and folate assays, 439
FOOT DERMATOSES
Juvenile plantar dermatosis: the "wet and dry foot syndrome," 145

GALLBLADDER, RADIONUCLIDE STUDIES
Evaluation of acute right upper quadrant pain, 247
GALLBLADDER, ULTRASOUND STUDIES
Evaluation of acute right upper quadrant pain, 247
GENETICS, MEDICAL
Cytogenetics of acute leukemia in 90 children and young adults, 283
GRANULOMA
Necrobiotic granuloma formation at a collagen implant treatment site, 163
GRANULOMA
Necrobiotic granuloma formation at a collagen implant treatment site, 163
GRAVES' DISEASE
Pretibial myxedema (elephantiasic form): treatment with cytotoxic therapy, 183

HAIR
Adrenal androgenic female-pattern alopecia: sex hormones and the balding woman, 111
HEAD INJURIES
Head-banging with subsequent hemoglobinuria and acute renal failure, 347
HEART ANEURYSM
Value and limitations of cross-sectional echocardiography in the diagnosis of myocardial aneurysm, 231
HEART DEFECTS, CONGENITAL
Hypoplastic left heart syndrome: medical management and practical surgical palliation, 269
HEART SURGERY
Hypoplastic left heart syndrome: medical management and practical surgical palliation, 269
HEART, ULTRASOUND STUDIES
Value and limitations of cross-sectional echocardiography in the diagnosis of myocardial aneurysm, 231
HISTIOCYTOSIS X
Histiocytosis X in a 27-year-old woman, 197
HODGKIN'S DISEASE
Prognosis for adolescents with Hodgkin's disease, 291
HORMONES
Adrenal androgenic female-pattern alopecia: sex hormones and the balding woman, 111
HYALURONIC ACID
Hyaluronic acid synthesis in fibroblasts of pretibial myxedema, 129
HYPERAMMONEMIA
Valproate-induced hyperammonemia in asymptomatic children, 275

IMMUNOGLOBULINS, KAPPA CHAIN
See Immunoglobulins, light chain
IMMUNOGLOBULINS, LIGHT CHAIN
Kappa light chain nephropathy, 243
IMMUNOLOGIC DEFICIENCY SYNDROMES
Cryptosporidial enteritis in a homosexual male with an acquired immunodeficiency syndrome, 41
IMMUNOSUPPRESSION
Petriellidium (Allescheria) boydii mycetoma in an immunosuppressed host, 209
INFECTION
Comparative efficacy and toxicity of moxalactam and the combination of nafcillin and tobramycin in febrile granulocytopenic patients, 385
INTESTINAL OBSTRUCTION
Morbidity of rotational abnormalities of the gut beyond infancy, 303

JAUNDICE, NEONATAL
Relationship of breast feeding and weight loss to jaundice in the newborn period: review of the literature and results of a study, 263

KIDNEY DISEASES
Kappa light chain nephropathy, 243
KIDNEY FAILURE, ACUTE
Head-banging with subsequent hemoglobinuria and acute renal failure, 347
KIDNEY FAILURE, CHRONIC
Porphyria cutanea tarda and bullous dermatoses associated with chronic renal failure: a review, 151
KIDNEY NEOPLASMS
The benign appearance of Wilms' tumor, 279

LEGISLATION, MEDICAL
The Congress: structural changes affecting biomedical legislation: an overview, 1965–1981, 237
LETTERS TO THE EDITOR
Does acyclovir have an adjunctive role in plantar wart therapy? (letter), 213
LEUKEMIA, ACUTE
Cytogenetics of acute leukemia in 90 children and young adults, 283
LEUKEMIA, FAMILIAL AND GENETIC
Cytogenetics of acute leukemia in 90 children and young adults, 283
LITHIUM
Thyroid dysfunction and lithium, 32
LIVER CIRRHOSIS
Will the real Indian childhood cirrhosis please stand up?, 323
LIVER DISEASES, IN CHILDREN
Will the real Indian childhood cirrhosis please stand up?, 323
LIVER NEOPLASMS
Evaluation of focal abnormality of the liver in a patient with known primary carcinoma of the colon, 473
LUNG ABNORMALITIES
Congenital anomalies of the lung in the adult, 401
LUPUS ERYTHEMATOSUS, SYSTEMIC
New diagnostic test for acute disseminated lupus erythematosus (archives), 59
Commentary: LE test in retrospect, 63
Commentary and update: serological tests for diagnosis of systemic lupus erythematosis (SLE), 65
Massive doses of cortisone in the control of acute lupus crisis in systemic lupus erythematosis (archives), 87
Commentary: cortisone therapy in SLE, 89
LYMPHOMA
Cutaneous T-cell immunoblastic sarcoma, 167

MECHLORETHAMINE
See Nitrogen mustard
MELANOMA
Recurrent amelanotic lentigo maligna melanoma: a case report, 173
Metallic cutaneous contaminant mimicking malignant melanoma, 177
MENISCUS
Understanding the meniscus, 377
Meniscofluoresis: an aid in determining prognosis of meniscal tears, 379
MERCER, ROBERT DEAN
A pediatric festschrift in honor of Robert Dean Mercer, M.D., 253

METHOTREXATE
Childhood-onset pityriasis rubra pilaris treated with methotrexate administered intravenously, 201
Methotrexate for psoriasis: a preliminary report (archives), 101
Commentary and update: methotrexate for psoriasis—two decades later, 107
MITRAL VALVE, CALCIFICATION
Mitral annulus calcification: clinical implications, 6
MITRAL VALVE, ULTRASOUND STUDIES
Mitral annulus calcification: clinical implications, 6
MIXED CONNECTIVE TISSUE DISEASE
Mixed connective tissue disease in identical twins, 205
MUSCLE TISSUE NEOPLASMS
See Neoplasms, muscle tissue
MYCETOMA
Petriellidium (Allescheria) boydii mycetoma in an immunosuppressed host, 209
MYCOSIS FUNGOIDES
Remission of lesions in mycosis fungoides following topical application of nitrogen mustard (archives), 91
Commentary: topical nitrogen mustard in mycosis fungoides, 95
MYELOMA
Scleromyxedema associated with IgG lambda multiple myeloma, 189
MYXEDEMA
Hyaluronic acid synthesis in fibroblasts of pretibial myxedema, 129
Pretibial myxedema (elephantiasic form): treatment with cytotoxic therapy, 183
MYXOMA
Massive intramuscular myxoma associated with fibrous dysplasia of bone, 469

NEOPLASMS, IN INFANTS AND CHILDREN
Benign appearance of Wilm's tumor, 279
Combined desmopressin (DDAVP) and chlorpropamide therapy for diabetes insipidus with absent thirst, 351
Teratoma of the tongue in a newborn, 34
NEOPLASMS, MUSCLE TISSUE
Massive intramuscular myxoma associated with fibrous dysplasia of bone, 469
NEPHROBLASTOMA
The benign appearance of Wilm's tumor, 279
NITROGEN MUSTARD
Remission of lesions in mycosis fungoides following topical application of nitrogen mustard (archives), 91
Commentary: topical nitrogen mustard in mycosis fungoides, 95
Commentary and update: topical chemotherapy with mechlorethamine for mycosis fungoides, 97
NOCARDIA ASTEROIDES
Nocardia osteomyelitis and epidural abscess in the nonimmunosuppressed host, 453

OSTEOMYELITIS
Nocardia osteomyelitis and epidural abscess in the nonimmunosuppressed host, 453
OVARIAN NEOPLASMS
Removal of massive ovarian tumor: case report and a critical review of surgical management and postoperative care, 461
OXYGEN INHALATION THERAPY
Nitrogen washout therapy for pneumothorax, 311

PAPULAR MUCINOSIS
See Scleromyxedema
PARA-AMINOBENZOIC ACID (PABA)
Cutaneous sensitivity to monoglycerol para-aminobenzoate; report of a second case (archives), 77
Commentary and update: cutaneous sensitivity to monoglycerl para-aminobenzoate, 85
PATHOLOGY FEATURE
Cryptosporidial enteritis in a homosexual male with an acquired immunodeficiency syndrome, 41
Massive intramuscular myxoma associated with fibrous dysplasia of bone, 469
PEDIATRICS
How to examine a baby or a small child and keep your cool, 255
PEDIATRIC ROUNDS
The psychodynamics of tattooing: a review, 239
PITYRIASIS RUBRA PILARIS
Childhood-onset pityriasis rubra pilaris treated with methotrexate administered intravenously, 201
PLASMAPHERESIS, TECHNIQUE
Membrane plasmapheresis with cryofiltration in rheumatoid arthritis, 11
PLEURAL EFFUSION
Cytodiagnosis of rheumatoid pleural effusion, 445
PNEUMOTHORAX
Nitrogen washout therapy for pneumothorax, 311
PORPHYRIA
Porphyria cutanea tarda and bullous dermatoses associated with chronic renal failure: a review, 151
PROSTAGLANDINS E
Hypoplastic left heart syndrome: medical management and practical surgical palliation, 269
PROSTHESIS
Esophageal perforation: a complication of the Angelchik prosthesis, 449
PSORIASIS
Long-term and short-term histopathologic changes in the skin after PUVA therapy, 133
Methotrexate for psoriasis: a preliminary report (archives), 101
Commentary and update: methotrexate for psoriasis: two decades later, 107
Mixed connective tissue disease in identical twins: a sclerodermoid variant with concurrent psoriasis, 205
PUVA
Long-term and short-term histopathologic changes in the skin after PUVA therapy, 133

RADIOALLERGOSORBENT TEST (RAST)
See Radioimmunoassay
RADIOIMMUNOASSAY
Radioallergosorbent test (RAST)—reliable tool or poor substitute?, 361
RADIOLOGY FEATURE
Evaluation of acute right upper quadrant pain, 247
Evaluation of focal abnormality of the liver in a patient with known primary carcinoma of the colon, 473
Unusual case of claudication in a 48-year-old man, 46
RESPIRATION, ARTIFICIAL
Clinical considerations in the implementation of home care ventilation: observations in 24 patients, 219
RESPIRATORY INSUFFICIENCY
Clinical considerations in the implementation of home care ventilation: observations in 24 patients, 219
REVIEWERS
Reviewers for the Cleveland Clinic Quarterly, 1982, 479

SARCOMA, IMMUNOBLASTIC
See Lymphoma
SCLEROMYXEDEMA
Scleromyxedema associated with IgG lambda multiple myeloma, 189
SKIN
Necrobiotic granuloma formation at a collagen implant treatment site, 163
SKIN DISEASES
(See also under specific diseases and conditions, such as Psoriasis, etc.)
Childhood-onset pityriasis rubra pilaris treated with methotrexate administered intravenously, 201
Histiocytosis X in a 27-year-old woman, 197
Long-term and short-term histopathologic changes in the skin after PUVA therapy, 133
Petriellidium (Allescheria) boydii mycetoma in an immunosuppressed host, 209
Staphylococcal scalded-skin syndrome: the Cleveland Clinic experience, 141
SKIN DISEASES, BULLOUS
Prophyria cutanea tarda and bullous dermatoses associated with chronic renal failure: a review, 151
SKIN, METALLIC CONTAMINANT
Metallic cutaneous contaminant mimicking malignant melanoma, 177
SKIN NEOPLASMS
Angiosarcoma of the face: report of a case, 38
Cutaneous T-cell immunoblastic sarcoma, 167
Recurrent amelanatic lentigo maligna melanoma: a case report, 173
SPINAL CANAL, ABSCESS
Nocardia osteomyelitis and epidural abscess in the nonimmunosuppressed host, 453
STAPHYLOCOCCAL INFECTIONS
Staphylococcal scalded-skin syndrome: the Cleveland Clinic experience, 141

TATTOO
The psychodynamics of tattooing: a review, 239
TERATOID TUMOR
Teratoma of the tongue in a newborn, 34
TERATOMA
See Teratoid tumor
THYROID, HYPOTHYROIDISM
Thyroid dysfunction and lithium, 32
TONGUE NEOPLASMS
Teratoma of the tongue in a newborn, 34
TOXIC EPIDERMAL NECROLYSIS (TEN)
Staphylococcal scalded-skin syndrome: the Cleveland Clinic experience, 141
TRANSPLANTATION IMMUNOLOGY
Influence of HLA AB and DR antigen matching in transfused cadaver renal transplant patients, 227
TWINS
Mixed connective disease in identical twins, 205

VALPROIC ACID
Valproate-induced hyperammonemia in asymptomatic children, 275
VENTILATION
Clinical considerations in the implementation of home care ventilation: observations in 24 patients, 219
VENTILATION, MECHANICAL
See Respiration, artificial
VITAMIN B_{12} DEFICIENCY
Masked macrocytosis and the use of serum vitamin B_{12} and folate assays, 439
VOLVULUS
Morbidity of rotational abnormalities of the gut beyond infancy, 303

WARTS
Does acyclovir have an adjunctive role in plantar wart therapy? (letter), 213
WILMS' TUMOR
See Nephroblastoma
