1-Minute Consult: How we decide what questions to answer 79

J.D. CLOUGH

MEDICAL GRAND ROUNDS

Is God good for your health? The role of spirituality in medical care 80

1-MINUTE CONSULT

Brief answers to specific clinical questions

Are strict vegetarians at risk of vitamin B_{12} deficiency? 87

Patients who avoid or limit animal products in their diets should be encouraged to take vitamin B_{12} supplements or eat fortified foods.

M.A. NOVY

Is there an advantage to combination therapy with ACE inhibitors and angiotensin II-receptor blockers? 89

Theoretic reasons and small studies suggest the two types of drugs may be useful in combination, but a definitive answer awaits the results of larger studies.

D.G. VIDT

MEDICAL GRAND ROUNDS
