Avery RK: Immunizations in adult immunocompromised patients: Which to use and which to avoid. Apr 337

B

Bargout R, Malhotra A: A 44-year-old man with a pruritic skin rash (The Clinical Picture). Nov 952
Beck LH: Should the actual or the corrected serum sodium be used to calculate the anion gap in diabetic ketoacidosis? (1-Minute Consult). Aug 673
Bergfeld WF, Mulinari-Brenner F: Shedding: How to manage a common cause of hair loss. Mar 256
Blackburn GL, Phillips JCC, Morreale S: Physician's guide to popular low-carbohydrate weight-loss diets. Sep 761
Bröker M: Meningococcal vaccination for college freshmen (Letter). Oct 879
Bush HS: Safe use of sildenafil in patients with coronary artery disease. Apr 349

C

Calabrese LH: Changing patterns of morbidity and mortality in HIV disease (Medical Grand Rounds). Feb 105
Cardon LA See **Lewis DH**
Chan AW, Moliterno DJ: In-stent restenosis: Update on intracoronary radiotherapy. Sep 796
Chang DZ, Correia NG, Khurana P, Tuthill RJ, Taege AJ: A 35-year-old man with recurrent aseptic meningitis (IM Board Review). Mar 199
Chemaly RF, Rehm SJ: A young woman with fever, headache, and lymphadenopathy (IM Board Review). Jul 584
Cheng TO: Atrial septal defect repair in adults (Letter). Feb 174
Chester AC: Surgery for fibromyalgia (Letter). Dec 1022
Chew DP, Moliterno DJ: GP IIb/IIIa inhibitors in coronary artery disease management: What the latest trials tell us. Dec 1017

Chung MK See **McRae AT**
Clauw DJ: Elusive syndromes: Treating the biologic basis of fibromyalgia and related syndromes (Medical Grand Rounds). Oct 830
Clough JD: Addressing both sides of a difficult controversy (From the Editor). Jan 8
Clough JD: New findings in multiple sclerosis: A message for primary care clinicians (From the Editor). Feb 91
Clough JD: Rare but serious adverse effects in commonly used drugs (From the Editor). Mar 179
Clough JD: Unproven therapies and media hype (From the Editor). Apr 267
Clough JD: The domino effect of the strangulation of post-acute care (From the Editor). May 371
Clough JD: Who wants to be a health care worker? The health care staffing crisis (Editorial). May 376
Clough JD: C-reactive protein: It's back (From the Editor). Jun 475
Clough JD: IM Board Review: A medical mystery every month (From the Editor). Aug 667
Clough JD: Adverse drug reactions and medication errors: Not always a clear distinction (From the Editor). Sep 739
Clough JD: Handheld computers are fun, sometimes even useful (From the Editor). Oct 819
Clough JD: Bioterrorism: An unexpected boost to public health? (From the Editor). Dec 971
Cohen BH, Gold DR: Mitochondrial cytopathy in adults: What we know so far (published correction appears in *Cleve Clin J Med* 2001; 68:746). Jul 625
Cohen JA See **Fox RJ**
Cohen SB See **Orija IB**
Correia NG See **Chang DZ**
Correia NG See **Jneid H**
Costin JA: Is laser vision correction safe in patients with diabetes? (1-Minute Consult). May 385

D

Decamp M See **Meziane M**
Dennis VW See **Morales A**
Dweik RA: The promise and reality of nitric oxide in the diagnosis and treatment of lung disease (Medical Grand Rounds). Jun 486
Dweik RA See **Ozkan M**

E

El-Sayegh S See **Muzina DJ**
Embi PJ: Information at hand: Using handheld computers in medicine. Oct 840
Erbas T See **Vinik AI**

F

Falcone T: What the internist needs to know about infertility. Jan 65
Falk GW: Current challenges in Barrett's esophagus (Medical Grand Rounds). May 415
Finucane TE See **Oldenquist GW**
Flaherty KR, Martinez FJ: Diagnosing interstitial lung disease: A practical approach to a difficult problem. Jan 33
Fox RJ, Cohen JA: Multiple sclerosis: The importance of early recognition and treatment. Feb 157
Francis GS, Gassler JP: What are "tissue ACE inhibitors," and should they be used instead of other ACE inhibitors? (1-Minute Consult). Mar 185
Fraser SL See **Zapor M**
Frolkis JP See **Sprecher DM**

G

Galus M: Preventive medicine and screening (Letter). Jan 82
Gassler JP See **Francis GS**
George JN, Vesely SK: Thrombotic thrombocytopenic purpura-hemolytic uremic syndrome: Diagnosis and treatment. Oct 857
Gerber RB, Kavuru M: Does salmeterol increase mortality in patients with COPD? (1-Minute Consult). Jul 600

Glauser J: Cardiac arrhythmias, respiratory failure, and profound hypokalemia in a trauma patient (IM Board Review). May 401
Gold DR See **Cohen BH**
Goldberg TH: Preventive medicine and screening (In Reply). Jan 83
Gordon SM: Should all college-bound freshmen receive meningococcal vaccine? (1-Minute Consult). Jan 9
Griffin BP: New series: Valvular heart disease update. Oct 880
Griffin BP See **Lewis DH**
Griffin BP See **Hayek E**
Griffin BP See **Peikert T**
Griffin BP See **Rimmerman CM**

H

Haas GJ: Management of asymptomatic left ventricular dysfunction. Mar 249
Hake AM: Use of cholinesterase inhibitors for treatment of Alzheimer disease (Medical Grand Rounds). Jul 608
Hall GS See **Serkey JM**
Hall PM: Strategies to prevent progression of renal disease. Feb 143
Harris CM: Handheld computers in medicine: The future is not here yet (Editorial). Oct 854
Hayek E, Griffin BP: Current medical management of valvular heart disease. Oct 881
Heffez DS: Surgery for fibromyalgia (Letter). Dec 1022
Hobbs RE: Should patients with severe heart failure be treated with beta-blockers? (1-Minute Consult). May 469
Hooper M: Is glucosamine an effective treatment for osteoarthritic pain? (1-Minute Consult). Jun 494

I

Ifudu O: Maximizing response to erythropoietin in treating HIV-associated anemia. Jul 643
Isaacson JH: Should patients with documented or probable coronary artery disease routinely be placed on beta-blockers before noncardiac surgery? (1-Minute Consult). Apr 273
Isada CM: New developments in long-term treatment of HIV: The honeymoon is over (Medical Grand Rounds). Sep 804

J

Jaber WA, Klein AL: How often are atrial septal defects associated with thromboembolism? When should they be looked for? (1-Minute Consult). Nov 954
Jaber WA See **Lewis DH**
Jain A See **Mehta N**
Jain P, Arroliga AC: Spiral CT for lung cancer screening: Is it ready for prime time? Jan 74
Jneid H, Correia NG, Michota FA Jr: A 65-year-old man with progressive shortness of breath (IM Board Review). Oct 888
Jneid H, Thacker HL: Coronary artery disease in women: Different, often undertreated. May 441

K

Kalaycio ME: Chronic myelogenous leukemia: The news you have and haven't heard (Medical Grand Rounds). Nov 913
Kavuru M See **Gerber RB**

M

Magnetic resonance imaging

Evolving cardiovascular applications for magnetic resonance imaging (Medical Grand Rounds). Weiss RG. Mar 238

Mean corpuscular volume

What evaluation should be done for an apparently healthy patient with an increased mean corpuscular volume (MCV)? (1-Minute Consult). Lichtin AE. May 381

Medical literature

IM Board Review: A medical mystery every month (From the Editor). Clough JD. Aug 667

New series. Cardiovascular Board Review. Rimmerman CM, Griffin BP. Sep 808

Medicare

The domino effect of the strangulation of post-acute care (From the Editor). Clough JD. May 371

Meningitis, aseptic

A 35-year-old man with recurrent aseptic meningitis (IM Board Review). Chang DZ, Correia NG, Khurana P, Tuthill RJ, Taeye AJ. Mar 199

Meningococcal vaccine

Should all college-bound freshmen receive meningococcal vaccine? (1-Minute Consult). Gordon SM. Jan 9

Meningococcal vaccination for college freshmen (Letter). Broker M. Oct 879

Menopause

Managing menopause after breast cancer: Balancing risks and benefits. Moore HCF. Mar 243

Microbial drug resistance

Microbial drug resistance and the roles of the new antibiotics (Medical Grand Rounds). Longworth DL. Jun 496

Mitochondrial cytopathy

Mitochondrial cytopathy in adults: What we know so far (published correction appears in Cleve Clin J Med 2001; 68:746). Cohen BH, Gold DR. Jul 625

Mitral valve stenosis

A 46-year-old man with dyspnea (The Clinical Picture). Rimmerman CM. Mar 191

Multiple sclerosis

New findings in multiple sclerosis: A message for primary care clinicians (From the Editor). Clough JD. Feb 91

Multiple sclerosis: The importance of early recognition and treatment. Fox RJ, Cohen JA. Feb 157

Myositis

Inflammatory myopathies: Narrowing the differential diagnosis. Rendt K. Jun 505

Myxedema

An elderly woman with drug-induced coma in winter (IM Board Review). Orjia IB, Cohen SB. Jan 25

N

Nitric oxide

The promise and reality of nitric oxide in the diagnosis and treatment of lung disease (Medical Grand Rounds). Dweik RA. Jun 486

Noninvasive positive pressure ventilation

Noninvasive positive pressure ventilation in acute respiratory failure: Does it improve outcomes? (Medical Grand Rounds). Arroliga AC. Aug 677

O

Obesity

Physician's guide to popular low-carbohydrate weight-loss diets. Blackburn GL, Phillips JCC, Morreale S. Sep 761

What you should know about low-carbohydrate diets (Patient Information). Anonymous. Sep 775

The dangers of self-monitored dieting: What are our patients really doing? (Commentary). Moore CL. Sep 777

Osteoarthritis

Is glucosamine an effective treatment for osteoarthritic pain? (1-Minute Consult). Hooper M. Jun 494

Osteoporosis

Role of alendronate and risedronate in preventing and treating osteoporosis. Peters ML, Leonard M, Licata AA. Nov 945

P

Patent foramen ovale

How often are atrial septal defects associated with thromboembolism? When should they be looked for? (1-Minute Consult). Jaber WA, Klein AL. Nov 954

Performance-enhancing substances

Performance-enhancing substances: What athletes are using (Medical Grand Rounds). Krck JA. Apr 283

Peripheral vascular disease

Update on peripheral vascular diseases: From smoking cessation to stenting. Mukherjee D, Yadav JS. Aug 723

Peripheral vascular disease (Patient Information). Anonymous. Aug 734

Phenylpropranolamine

Phenylpropranolamine and stroke: The study, the FDA ruling, the implications. Mersfelder TL. Mar 208

Pityriasis rosea

A young person with papules and plaques (The Clinical Picture). Tomecki KJ, Kookan AR. Sep 752

Polycystic ovary syndrome

Polycystic ovary syndrome and infertility (Patient Information). Anonymous. Jan 73

Preoperative care

Should patients with documented or probable coronary artery disease routinely be placed on beta-blockers before noncardiac surgery? (1-Minute Consult). Isaacson JH. Apr 273

Pressure ulcers

Prevention and treatment of pressure ulcers: What works? What doesn't? Thomas DR. Aug 704

Prostatitis

The four categories of prostatitis: A practical approach to treatment (Medical Grand Rounds). Potts JM. May 389

Managing prostatitis (Patient Information). Anonymous. May 398

Pulmonary embolism

A 67-year-old woman with sudden onset of chest pain and dyspnea (The Clinical Picture). Lewis DH, Cardon LA, Griffin BP, Jaber WA. Oct 828

Pulmonary alveolar proteinosis

Our new understanding of pulmonary alveolar proteinosis: What an internist needs to know. Mazzone P, Thomassen MJ, Kavuru M. Dec 977

R

Rape

Date rape drugs: What parents should know (Patient Information). Anonymous. Jun 551

Renal disease

Strategies to prevent progression of renal disease. Hall PM. Feb 143

Slowing the damage of kidney disease (Patient Information). Anonymous. Feb 152

At what level of hyperkalemia or creatinine elevation should ACE inhibitor therapy be stopped or not started?

(1-Minute Consult). Nurko S. Sep 754

Rheumatic diseases

Trends in rheumatic disease: Update on new diagnostic and treatment strategies (Medical Grand Rounds). Mandell BF. May 425

Risedronate

Role of alendronate and risedronate in preventing and treating osteoporosis. Peters ML, Leonard M, Licata AA. Nov 945

S

Salmeterol

Does salmeterol increase mortality in patients with COPD? (1-Minute Consult). Gerber RB, Kavuru M. Jul 600

Selective serotonin reuptake inhibitors

Should amphetamines be added to SSRI therapy to enhance the antidepressant effect? (1-Minute Consult). Singh V, Malone DA Jr. Sep 748

Semen cryopreservation

Should we offer semen cryopreservation to men with testicular cancer? (1-Minute Consult). Pasqualotto FF, Agarwal A. Feb 101

Sildenafil

Safe use of sildenafil in patients with coronary artery disease. Bush HS. Apr 349

Social anxiety disorder

Recognizing and treating social anxiety disorder. Muzina DJ, El-Sayegh S. Jul 649

Stroke

How often are atrial septal defects associated with thromboembolism? When should they be looked for? (1-Minute Consult). Jaber WA, Klein AL. Nov 954

Strongyloides stercoralis infection

A 65-year-old man with progressive shortness of breath (IM Board Review). Jneid H, Correia NG, Michota FA Jr. Oct 888

Sudden death

Arrhythmogenic right ventricular cardiomyopathy: A cause of sudden death in young people. McRae AT, Chung MK, Asher CR. May 459

Systolic ejection murmur

Systolic ejection murmur presenting with dyspnea on exertion (Cardiovascular Board Review). Peikert T, Asher CR, Griffin BP. Sep 809

T

Theophylline

Should we still be using theophylline to treat asthma? (1-Minute Consult). Vielhaber MM, Kavuru M. Aug 681
