**Abciximab**

GUSTO V: Should it affect clinical practice? (Commentary). Orford JL, Berger PB. Jul 520

GUSTO V: Combination drug treatment of acute myocardial infarction. Askari AT, Lincoff AM. Jul 554

**ACE inhibitors**

ACE inhibitors vs ARBs: Is one class better for heart failure? Dunlap ME, Peterson RC. May 433

**Acquired immunodeficiency syndrome**

HIV update 2002: Delaying treatment to curb rising resistance (Medical Grand Rounds). Armstrong W, Calabrese L, Taege A. Dec 995

**Activated protein C**

Sepsis: Menu of new approaches replaces one therapy for all. LaRosa SP. Jan 65

**Acute coronary syndromes**

Statins in acute coronary syndromes: Start them in the hospital. Acevedo M, Sprecher DL. Jan 25

The CURE trial: Using clopidogrel in acute coronary syndromes without ST-segment elevation. Gerschütz GP, Bhatt DL. May 377

**Acute myocardial infarction**

A 74-year-old woman with hemodynamic complications of acute MI. Seshadri N, Ghaffari S, Stewart WJ. Oct 789

**Acute renal failure**

Acute renal failure in hospitalized patients (Medical Grand Rounds). Nally JV Jr. Jul 569

**ACUTE trial**

The ACUTE trial. Transesophageal echocardiography to guide electrical cardioversion in atrial fibrillation. Asher CR, Klein AL. Sep 713

**Air travel**

'Coach class thrombosis': Is the risk real? What do we tell our patients? (1-Minute Consult). Brotman DJ, Jaffer A. Nov 832

**Alpha 1-antitrypsin deficiency**

Emphysema in nonsmokers: Alpha 1-antitrypsin deficiency and other causes. Lee P, Gildea TR, Stoller JL. Dec 928

**Angiotensin receptor blockers**

ACE inhibitors vs ARBs: Is one class better for heart failure? Dunlap ME, Peterson RC. May 433

**Antibiotics**

Two new treatment options for infections due to drug-resistant gram-positive cocci. Rehm SJ. May 397

Using antibiotics wisely (Patient Information).

Anonymous. May 414

**Antiemetic therapy**

Progress in preventing chemotherapy-induced nausea and vomiting. Markman M. Aug 609

**Antinuclear antibodies**

Diagnosis of lupus: A glass half full (Editorial). Clough JD. Feb 141

Tired, aching, ANA-positive: Does your patient have lupus or fibromyalgia? Blumenthal DE. Feb 143

**Aortic dissection**

A 62-year-old man with hypotension and an abnormal chest radiograph (IM Board Review). Chan-Tack KM, Standridge S, Adelstein E. Aug 632

**Aromatase inhibitors**

Aromatase inhibitors in breast cancer: Current and evolving roles. Hill J, Moore HCF. Jul 561

**Asian patients**

Cultural and clinical issues in the care of Asian patients. Jin XW, Slomka J, Blixen CE. Jan 50

**Asthma**

Intravenous or oral steroids: Which is better for acute exacerbations of asthma or COPD? (1-Minute Consult). Emerman C. May 365

**Ataxia**

A 47-year-old alcoholic man with progressive abnormal gait (IM Board Review). McHam SA, Hull AL. Nov 904

**Atrial fibrillation**

The ACUTE trial. Transesophageal echocardiography to

guide electrical cardioversion in atrial fibrillation. Asher CR, Klein AL. Sep 713

## B

**B-type natriuretic peptide**

BNP looks like a winner (From the Editor). Clough JD. Mar 179

The B-type natriuretic peptide assay: A rapid test for heart failure. Peacock WF. Mar 243

How to use nesiritide in treating decompensated heart failure. Mills RM, Hobbs RE. Mar 252

**Bariatric surgery**

Bariatric surgery for morbid obesity: Why, who, when, how, where, and then what? Choban PS, Jackson B, Poplawski S, Bistolarides P. Nov 897

**Bioterrorism**

Smallpox and bioterrorism (Letter). Huff DM. May 360

Smallpox and bioterrorism (In Reply). Gordon SM. May 360

**Bisphosphonates**

The HIP trial. Risedronate prevents hip fractures, but who should get therapy? Deal CL. Dec 964

**Botfly infestation**

A traveler with nonhealing skin nodules (The Clinical Picture). Hix JK, Rahman M. Jul 524

**Breast cancer**

Aromatase inhibitors in breast cancer: Current and evolving roles. Hill J, Moore HCF. Jul 561

Discussing breast cancer and hormone replacement therapy with women. Batur P, Thacker HL, Moore HCF. Nov 838

Benign breast disease: When to treat, when to reassure, when to refer. Vaidyanathan L, Barnard K, Elnicki DM. May 425

## C

**Cancer complications**

Oncologic emergencies for the internist. Krinsky WS, Behrens RJ, Kerkvliet GJ. Mar 209

**Cancer clinical trials**

Assessing cancer clinical trials: Will your patient benefit from a 'breakthrough'? Markman M. May 368

**Central pontine myelinolysis**

A 47-year-old alcoholic man with progressive abnormal gait (IM Board Review). McHam SA, Hull AL. Nov 904

**Chemotherapy**

Progress in preventing chemotherapy-induced nausea and vomiting. Markman M. Aug 609

**Chickenpox**

Which children and adults should receive the chickenpox vaccine? (1-Minute Consult). Sabella C. Dec 1000

**Cholelithiasis**

Gallbladder disease: An update on diagnosis and treatment. Vogt DP. Dec 977

**Chronic obstructive pulmonary disease**

Intravenous or oral steroids: Which is better for acute exacerbations of asthma or COPD? (1-Minute Consult). Emerman C. May 365

**Clopidogrel**

The CURE trial: Using clopidogrel in acute coronary syndromes without ST-segment elevation. Gerschütz GP, Bhatt DL. May 377

**Cocaine toxicity**

A young man with hyperthermia and new-onset seizures (IM Board Review). Queen JR, Glauser J. Jun 453

Drug smuggling raises medical and legal issues (Editorial). Rella J. Jun 465

**Communication**

Adverse events: Reducing the risk of litigation (Medical Grand Rounds). Correia NG. Jan 15

Functional health illiteracy: What patients don't know can hurt them (From the Editor). Clough JD. May 355

Recognizing and overcoming inadequate health literacy, a barrier to care (Medical Grand Rounds). Williams MV. May 415

**Continuing medical education**

CME credit: Fewer hours, but still a good deal (From the Editor). Clough JD, Hengstler LH. Jan 3

CME reduction redux: While less isn't more, it's better than none (From the Editor). Clough JD, Studer PG. Jun 447

**Coronary artery disease**

Which medications should be held before a pharmacologic or exercise stress test? (1-Minute Consult).

Underwood DA. Jun 449

Should exercise electrocardiography be a routine part of the periodic health physical? (1-Minute Consult). Jain A, Lang R. Oct 821

**Critical illness myopathy**

A 45-year-old woman with acute-onset weakness in the intensive care unit (IM Board Review). Lim L-L, Prayson R, Shields R. Jan 38

## D

**Deep brain stimulation**

Two advances in the management of Parkinson disease. Montgomery EB. Aug 639

**Deep venous thrombosis**

'Coach class thrombosis': Is the risk real? What do we tell our patients? (1-Minute Consult). Brotman DJ, Jaffer A. Nov 832

**Dementia**

Is there a relationship between hypertension and cognitive function in older adults? (1-Minute Consult). Abou

Jawde R, Messinger-Rapport BJ. Sep 664

**Dermatobia hominis**

A traveler with nonhealing skin nodules (The Clinical Picture). Hix JK, Rahman M. Jul 524

**Diabetes**

A practical guide for examining and treating the diabetic foot (Medical Grand Rounds). Boike AM, Hall JO. Apr 342

Taking care of your feet (Patient Information).

Anonymous. Apr 349

Collect the evidence; I'll look at it in a minute (From the Editor). Mandell BF. Oct 743

Treating hyperglycemia in type 2 diabetes: Changing goals, new strategies. Lebovitz HE. Oct 809

**Dopamine agonists**

Two advances in the management of Parkinson disease. Montgomery EB. Aug 639

**Driving**

How to assess and counsel the older driver (Medical Grand Rounds). Messinger-Rapport BJ. Mar 184

**Drotrecogin alfa**

Sepsis: Menu of new approaches replaces one therapy for all. LaRosa SP. Jan 65

**Drug adverse effects**

What is the best way to determine if thrombocytopenia in a patient on multiple medications is drug-induced? (1-Minute Consult). Majhail NS, Lichtin AE. Mar 259

How to prevent, recognize, and treat drug-induced nephrotoxicity. Guo X, Nzerue C. Apr 289

A 52-year-old man with sudden onset of a facial rash (The Clinical Picture). Berlin JM, Lifshitz OH, Taylor JS. Oct 745

## E

**Elder abuse**

Elder abuse and neglect: What physicians can and should do. Ahmad M, Lachs MS. Oct 801

**Elderly drivers**

How to assess and counsel the older driver (Medical Grand Rounds). Messinger-Rapport BJ. Mar 184

**Electrocardiography**

Should exercise electrocardiography be a routine part of the periodic health physical? (1-Minute Consult). Jain A, Lang R. Oct 821

**Emphysema**

Emphysema in nonsmokers: Alpha 1-antitrypsin deficiency and other causes. Lee P, Gildea TR, Stoller JL. Dec 928

**Endocarditis**

A 76-year-old man with septic arthritis (IM Board Review). Thota PN, Sanaka MR, Conwell DL. Jul 549

**Endometriosis**

Endometriosis: Still tough to diagnose and treat. Attaran

M, Falcone T, Goldberg J. Aug 647

Endometriosis: What it is and how it is treated (Patient Information). Anonymous. Aug 654

#### Evidence-based medicine

Collect the evidence; I'll look at it in a minute (From the Editor). Mandell BF. Oct 743

## F

### Fibromyalgia

Surgery for fibromyalgia (Letter). Chester AC. Jan 89  
Surgery for fibromyalgia (Letter). Heffez DS. Jan 89  
Surgery for fibromyalgia (In Reply). Wilke WS. Jan 91  
Diagnosis of lupus: A glass half full (Editorial). Clough JD. Feb 141

Tired, aching, ANA-positive: Does your patient have lupus or fibromyalgia? Blumenthal DE. Feb 143

### Foodborne illness

The new American diet and the changing face of foodborne illness (Medical Grand Rounds). Taege AJ. May 419

### Foot problems

A practical guide for examining and treating the diabetic foot (Medical Grand Rounds). Boike AM, Hall JO. Apr 342  
Taking care of your feet (Patient Information). Anonymous. Apr 349

## G

### Gallbladder disease

Gallbladder disease: An update on diagnosis and treatment. Vogt DP. Dec 977

### Gout

Hyperuricemia and gout: A reign of complacency (Editorial). Mandell BF. Aug 589

Asymptomatic hyperuricemia: To treat or not to treat. Dincer HE, Dincer AP, Levinson DJ. Aug 594

The crystal, the gout, and the paradox (The Clinical Picture). Mandell BF. Sep 720

### Gram-positive cocci

Two new treatment options for infections due to drug-resistant gram-positive cocci. Rehm SJ. May 397

### Guillain-Barré syndrome

Sudden weakness in a patient with lymphoma (IM Board Review). Naidech A, Weisberg L, Palliyath S, Kahn M. Apr 337

## H

### Headache

Chronic tension-type headache: Advice for the viselike-headache patient. Solomon GD. Feb 167

Taking the tension out of tension-type headaches (Patient Information). Anonymous. Feb 173

Women and headache: A treatment approach based on life stages. Mannix LK, Diamond M, Loder E. Jun 488

### Heart failure

Halting the progression of heart failure: Finding the optimal combination therapy (Medical Grand Rounds). Basile JN. Feb 104

BNP looks like a winner (From the Editor). Clough JD. Mar 179

The B-type natriuretic peptide assay: A rapid test for heart failure. Peacock WF. Mar 243

How to use nesiritide in treating decompensated heart failure. Mills RM, Hobbs RE. Mar 252

Improving the care of patients dying of heart failure. Albert NM, Davis M, Young J. Apr 321

ACE inhibitors vs ARBs: Is one class better for heart failure? Dunlap ME, Peterson RC. May 433

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Mitral valve prolapse: Old beliefs yield to new knowledge. Hayek E, Griffin BP. Nov 889

### Hematuria

Hematuria: An algorithmic approach to finding the cause. Mazhari R, Kimmel PL. Nov 870

### Hengstler, Linda

Linda Hengstler, publisher, editor, and friend, ends 14-year stint at *CCJM* (From the Editor). Clough JD, Mandell BF. Feb 99

### Hepatitis C

Advances in treatment of chronic hepatitis C: 'Pegylated' interferons. Sharieff KA, Duncan D, Younossi Z. Feb 155

### Hereditary hemochromatosis

Hereditary hemochromatosis: A common, often unrecognized genetic disease (published corrections appear in *CCJM* 2002; 69:273 and *CCJM* 2002; 69:553). McCarthy GM, Crowe J, McCarthy CJ, Eustace S, Kenny D. Mar 224

Hereditary hemochromatosis: Molecular genetic testing issues for the clinician (Editorial). Clark BA. Mar 239

What is hemochromatosis? (Patient Information). Anonymous. Mar 238

### Hormone replacement therapy

Follow the evidence—but don't expect a straight path (From the Editor). Clough JD. Sep 663

The case for hormone replacement: New studies that should inform the debate (Medical Grand Rounds). Thacker HL. Sep 670

Hormone replacement therapy: Frequently asked questions (Patient Information). Anonymous. Sep 680

Hormone replacement therapy: Applying the results of the Women's Health Initiative (Editorial). Johnson SR. Sep 682

Discussing breast cancer and hormone replacement therapy with women. Batur P, Thacker HL, Moore HCF. Nov 838

### Human herpesvirus 6

Human herpesvirus 6 (Letter). Enlander D. Jan 92  
Human herpesvirus 6 (In Reply). Chemaly RF, Rehm SJ. Jan 92

### Human immunodeficiency virus infection

HIV update 2002: Delaying treatment to curb rising resistance (Medical Grand Rounds). Armstrong W, Calabrese L, Taege A. Dec 995

### Human papillomavirus infection

Update on the diagnosis and treatment of human papillomavirus infection. Zanotti KM, Belinson J. Dec 948

### Hypertension

'White coat hypertension'—should it be treated or not? (1-Minute Consult). Pickering T. Aug 584

Is there a relationship between hypertension and cognitive function in older adults? (1-Minute Consult). Abou Jawde R, Messinger-Rapport BJ. Sep 664

Collect the evidence; I'll look at it in a minute (From the Editor). Mandell BF. Oct 743

Poor hypertension control: Let's stop blaming the patients. Hyman DJ, Pavlik VN. Oct 793

### Hyperuricemia

Hyperuricemia and gout: A reign of complacency (Editorial). Mandell BF. Aug 589

Asymptomatic hyperuricemia: To treat or not to treat. Dincer HE, Dincer AP, Levinson DJ. Aug 594

### Hypothermia

A homeless 63-year-old man with an abnormal electrocardiogram (The Clinical Picture). Bargout R, Lucas BP. Jan 62

Hypothermia in a homeless man (Letter). Silverman D. May 362

Hypothermia in a homeless man (In Reply). Bargout R, Lucas BP. May 362

### Hypothyroidism

The case for more aggressive screening and treatment of mild thyroid failure. Ayala AR, Wartofsky L. Apr 313

### Idiopathic dilated cardiomyopathy

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

### Idiopathic dilated cardiomyopathy

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

Idiopathic dilated cardiomyopathy: A common but mystifying cause of heart failure. Mohan SB, Parker M, Wehbi M, Douglass P. Jun 481

### Inflammatory bowel disease

Inflammatory bowel disease: Sorting out the treatment options. Wolf JM, Lashner BA. Aug 621

### Intensive care

Intensive care update: Seven studies that should change your practice (Medical Grand Rounds). Arroliga AC. Jun 505

### Interferon alfa

Advances in treatment of chronic hepatitis C: 'Pegylated' interferons. Sharieff KA, Duncan D, Younossi Z. Feb 155

## K

### Kidney stones

Preventing kidney stones: Calcium restriction not warranted (Medical Grand Rounds). Hall PM. Nov 885

## L

### Linezolid

Two new treatment options for infections due to drug-resistant gram-positive cocci. Rehm SJ. May 397

### Literacy

Functional health illiteracy: What patients don't know can hurt them (From the Editor). Clough JD. May 355

Recognizing and overcoming inadequate health literacy, a barrier to care (Medical Grand Rounds). Williams MV. May 415

### Low-carbohydrate diets

Very-low-carbohydrate weight-loss diets revisited. Volek JS, Westman EC. Nov 849

Making good decisions about diet: Weight loss is not weight maintenance (Editorial). Blackburn GL. Nov 864

### Lumbar canal stenosis

Lumbar canal stenosis: Start with nonsurgical therapy. Mazanec DJ, Podichetty VK, Hsia A. Nov 909

### Lupus erythematosus

Diagnosis of lupus: A glass half full (Editorial). Clough JD. Feb 141

Tired, aching, ANA-positive: Does your patient have lupus or fibromyalgia? Blumenthal DE. Feb 143

### Lymphoma

Sudden weakness in a patient with lymphoma (IM Board Review). Naidech A, Weisberg L, Palliyath S, Kahn M. Apr 337

## M

### Malaria

Educating travelers about malaria: Dealing with resistance and patient noncompliance. Dardick K. Jun 469

Protecting yourself against malaria (Patient Information). Anonymous. Jun 480

### Malpractice litigation

So you're being sued: Do's and don'ts for the defendant (Medical Grand Rounds). Culley CA Jr, Spisak LJ. Oct 752

### Mammography

Is there an age at which we should stop performing screening Pap smears and mammography? (1-Minute Consult). Harris P, Carnes M. Apr 272

### Medical literature

We need your help (From the Editor). Clough JD, Studer PG. Jul 519

CME good and bad news: Now 1.5 hours, but you must go online (From the Editor). Clough JD. Nov 831

Meet Peter Studer, our new publisher (From the Editor). Clough JD. Apr 267

Coxibs supplement: Has *CCJM* sold out? (Letter). Frisch E. Jul 568

Coxibs supplement: Has *CCJM* sold out? (In reply). Hochberg MC. Jul 568

Coxibs supplement: Has *CCJM* sold out? (In reply). Clough JD. Jul 568

Keeping up with medical 'truth' (From the Editor). Clough JD. Aug 583

### Medical liability

Taking it to the bar: Medicolegal ramifications of perioperative steroid coverage (Editorial). Mandell BF, Vance VL. Jan 7

Adverse events: Reducing the risk of litigation (Medical Grand Rounds). Correia NG. Jan 15  
**Melanoma**

Malignant melanoma: Treatments emerging, but early detection is still key. Masci P, Borden EC. Jul 529

#### **Metabolic syndrome**

Who is conducting the deadly quartet? (From the Editor). Mandell BF. Dec 927

A truly deadly quartet: Obesity, hypertension, hypertriglyceridemia, hyperinsulinemia. Nambi V, Hoogwerf BJ, Sprecher DL. Dec 985

The metabolic syndrome: A tug-of-war with no winner. Brotman DJ, Girod JP. Dec 990

How to prevent, recognize, and treat drug-induced nephrotoxicity. Guo X, Nzerue C. Apr 289

Acute renal failure in hospitalized patients (Medical Grand Rounds). Nally JV Jr. Jul 569

#### **Nesiritide**

How to use nesiritide in treating decompensated heart failure. Mills RM, Hobbs RE. Mar 252

## **O**

#### **Obesity**

Very-low-carbohydrate weight-loss diets revisited. Volek JS, Westman EC. Nov 849

Making good decisions about diet: Weight loss is not weight maintenance (Editorial). Blackburn GL. Nov 864

Bariatric surgery for morbid obesity: Why, who, when, how, where, and then what? Choban PS, Jackson B, Poplawski S, Bistolarides P. Nov 897

#### **Obstructive sleep apnea**

A 52-year-old man with excessive daytime sleepiness (IM Board Review). Sarodia BD, Mehra R, Golish JA. Mar 193

#### **Oncologic emergencies**

Oncologic emergencies for the internist. Krinsky WS, Behrens RJ, Kerkvliet GJ. Mar 209

Oncologic emergencies: Superior vena cava syndrome (Letter). Gupta R, Gupta S. Oct 744

#### **Osteoporosis**

Statins and osteoporosis: Can these lipid-lowering drugs also bolster bones? Cruz AC, Gruber BL. Apr 277

The HIP trial. Risedronate prevents hip fractures, but who should get therapy? Deal CL. Dec 964

#### **Overactive bladder**

The newer antimuscarinic drugs: Bladder control with less dry mouth. Appell RA. Oct 761

## **P**

#### **Palliative care**

Improving the care of patients dying of heart failure. Albert NM, Davis M, Young J. Apr 321

#### **Papanicolaou smear**

Is there an age at which we should stop performing screening Pap smears and mammography? (1-Minute Consult). Harris P, Carnes M. Apr 272

#### **Papillary muscle rupture**

A 74-year-old woman with hemodynamic complications of acute MI. Seshadri N, Ghaffari S, Stewart WJ. Oct 789

#### **Parkinson disease**

Two advances in the management of Parkinson disease. Montgomery EB. Aug 639

#### **Perioperative care**

When is perioperative 'steroid coverage' necessary? (1-Minute Consult). Shaw M. Jan 9

#### **Pheochromocytoma**

What is the best diagnostic approach when pheochromocytoma is suspected? (1-Minute Consult). Bravo EL. Mar 257

#### **Postpolio syndrome**

What internists need to know about postpolio syndrome. Silver JK, Aiello DD. Sep 704

#### **Prosthetic heart valves**

Caring for patients with prosthetic heart valves.

Bettadapur MS, Griffin BP, Asher CR. Jan 75

Prosthetic heart valves (Letter). Hsi DH, Ryan GF. Jun 448

#### **Psychotherapy**

A primer on referring patients for psychotherapy. Bea SM, Tesar GE. Feb 113

#### **Pulmonary embolism**

Advances in diagnosing and excluding pulmonary embolism: Spiral CT and D-dimer measurement. Carman TL, Deitcher SR. Sep 721

## **Q**

#### **Quinupristin-dalfopristin**

Two new treatment options for infections due to drug-resistant gram-positive cocci. Rehm SJ. May 397

## **R**

#### **Renal failure**

How to prevent, recognize, and treat drug-induced nephrotoxicity. Guo X, Nzerue C. Apr 289

Acute renal failure in hospitalized patients (Medical Grand Rounds). Nally JV Jr. Jul 569

#### **Reteplase**

GUSTO V: Should it affect clinical practice?

(Commentary). Orford JL, Berger PB. Jul 520

GUSTO V: Combination drug treatment of acute myocardial infarction. Askari AT, Lincoff AM. Jul 554

#### **Retroperitoneal fibrosis**

Idiopathic retroperitoneal fibrosis: Prompt diagnosis preserves organ function. Monev S. Feb 160

## **S**

#### **Sepsis**

Sepsis: Menu of new approaches replaces one therapy for all. LaRosa SP. Jan 65

#### **Septic arthritis**

A 76-year-old man with septic arthritis (IM Board Review). Thota PN, Sanaka MR, Conwell DL. Jul 549

#### **Sinus of Valsalva aneurysm**

A 23-year-old man with a continuous heart murmur (IM Board Review). Mikielski K, Brechten J, Lever H. Feb 128

#### **Sleep testing**

A 52-year-old man with excessive daytime sleepiness (IM Board Review). Sarodia BD, Mehra R, Golish JA. Mar 193

#### **Smallpox**

Smallpox and bioterrorism (Letter). Huff DM. May 360  
Smallpox and bioterrorism (In Reply). Gordon SM. May 360

#### **Smell**

Management of smell and taste problems. Mann NM. Apr 329

#### **Statins**

Statins in acute coronary syndromes: Start them in the hospital. Acevedo M, Sprecher DL. Jan 25

Statins and osteoporosis: Can these lipid-lowering drugs also bolster bones? Cruz AC, Gruber BL. Apr 277

#### **Steroid coverage**

Taking it to the bar: Medicolegal ramifications of perioperative steroid coverage (Editorial). Mandell BF, Vance VL. Jan 7

When is perioperative 'steroid coverage' necessary? (1-Minute Consult). Shaw M. Jan 9

#### **Streptococcus**

What is the best way to diagnose streptococcal pharyngitis? (1-Minute Consult). Goldfarb J. Feb 153

A 76-year-old man with septic arthritis (IM Board Review). Thota PN, Sanaka MR, Conwell DL. Jul 549

#### **Stress testing**

Which medications should be held before a pharmacologic or exercise stress test? (1-Minute Consult). Underwood DA. Jun 449

Should exercise electrocardiography be a routine part of the periodic health physical? (1-Minute Consult). Jain A, Lang R. Oct 821

#### **Stroke**

Acute stroke therapy: Beyond IV tPA (Medical Grand Rounds). Furlan AJ. Sep 730

Acute ischemic stroke: Is there a role for hypothermia? Hammer MD, Krieger DW. Oct 770

#### **Studer, Peter**

Meet Peter Studer, our new publisher (From the Editor). Clough JD. Apr 267

## **T**

#### **Taste**

Management of smell and taste problems. Mann NM. Apr 329
