Topics and editors for supplements to the *Cleveland Clinic Journal of Medicine* are determined by the *Journal*'s editor-in-chief and staff. Supplement editors are chosen for their expertise in the topics discussed and are responsible for the scientific quality of supplements, including the review process. The *Journal* ensures that supplement editors and authors fully disclose any relationships with industry, including the supplement underwriter. For full guidelines on grant-supported supplements to the *Journal*, go to **www.ccjm.org/pdffiles/guidelines.pdf.**

Author financial conflict-of-interest disclosures appear within the authors' respective articles.
