FROM THE EDITOR

What's a web site for? 744

Besides free CME, what do readers want from our web site? J.D. CLOUGH

REVIEW

Heart disease and depression: Don't ignore the relationship 745

Depression seems to be a risk factor for coronary artery disease. Although we do not know if treating depression can improve coronary prognosis, it can make the patient feel better.
D.E. KEMP, S. MALHOTRA, K.N. FRANCO, G. TESAR, AND D.L. BRONSON

MEDICAL GRAND ROUNDS

Does this patient have Alzheimer disease? Diagnosing and treating dementia 762

Three patients come to your office. Can you be sure any of them has Alzheimer disease—or does not?
B.J. MESSINGER-RAPPORT

REVIEW

Lipid-lowering: Can ezetimibe help close the treatment gap? 777

Ezetimibe (Zetia) is an important new drug for lowering cholesterol and may help overcome some of the barriers to reaching therapeutic goals. R.C. NEAL AND P.H. JONES

REVIEW

Indications for neuropsychological assessment 785

In an age of PET scans and MRI, old-fashioned paper-and-pencil testing can still have a role.
J.F. KULAS AND R.I. NAUGLE

REVIEW

Controlling antibiotic resistance in the ICU: Different bacteria, different strategies 793

To control antibiotic resistance, we need to enforce infection control more stringently and use antibiotics more wisely. But the devil is in the details. L.B. RICE

REVIEW

Demystifying FluMist, a new intranasal, live influenza vaccine 801

The intranasal live flu vaccine is approved, but questions remain about its exact role in clinical practice. S.B. MOSSAD

PATIENT INFORMATION **Flu shot or FluMist?** 808

1-MINUTE CONSULT

ONE MINUTE CONSULT **Brief answers to specific clinical questions**

How should I follow a patient with mildly elevated serum calcium and PTH, but no symptoms? 811

The first thought is asymptomatic primary hyperparathyroidism. Surgery may be indicated. J. WOJTOWICZ AND C. NASR
