FROM THE EDITOR

Treating cardiovascular disease by treating inflammation: From magic bullets to smart bombs 696

Statins seem to do it all. Originally thought to be magic bullets that lower cholesterol, they are now known to be smart bombs that also decrease C-reactive protein.

B.F. MANDELL

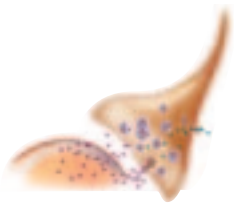
REVIEW

Scuba diving: What you and your patients need to know 711

Scuba diving requires rigorous health screening to prevent injury or accidents. Be aware of the requirements, contraindications, and possible injuries.

A.M. McMULLIN

REVIEW



Clinical approach to patients with neuropathic pain 726

Neuropathic pain is challenging to treat. New drugs aim at the mechanisms of the pain, but results are still less than desirable.

M. STILLMAN

REVIEW

Uses and misuses of quantitative ultrasonography in managing osteoporosis 742

Despite its advantages, this test cannot yet replace dual-energy x-ray absorptiometry for diagnosing and classifying osteoporosis or for monitoring therapy.

E.M. LEWIECKI, B. RICHMOND, AND P.D. MILLER

THE CLINICAL PICTURE

A middle-aged man with asymptomatic chest wall asymmetry 754

He has no history of trauma or chest wall surgery, and he has been aware of the asymmetry since early childhood. What is your diagnosis?

S.R. ALLAM, R. YADAV, M. MEZIANE, AND A.C. MEHTA

1-MINUTE CONSULT

How often should patients with hepatitis C be screened for esophageal varices? 758

If the patient has cirrhosis, screen promptly with upper endoscopy. If no varices are found, repeat endoscopy every 2 years.

C. ENTWISLE AND Z.M. YOUNOSSI

REVIEW

Using statins to treat inflammation in acute coronary syndromes: Are we there yet? 760

Inflammation and oxidative damage play direct roles in coronary artery disease. In patients with acute coronary syndromes, early and aggressive statin therapy reduces the risk of future cardiovascular events.

M.H. SHISHEHBOR, T. PATEL, AND D.L. BHATT

MEDICAL GRAND ROUNDS

Thrombocytosis: When is an incidental finding serious? 767

What do you do if you order a complete blood count and, unexpectedly, the platelet count is high?

A.I. SCHAFER

PATIENT-ORIENTED INFORMATION THAT MATTERS (POEMs)

- **Candesartan reduces blood pressure in prehypertensive patients** 699
- **Metronidazole gel prevents recurrences of bacterial vaginosis** 703
- **Aspirin plus dipyridamole is better than aspirin alone for cerebral ischemia** 704
- **Urinary incontinence diagnosis with three questions** 722

DEPARTMENTS

CME Calendar 698

Letters to the Editor 705

Normal pressure hydrocephalus (May 2006)

Electrocardiography in acute pericarditis (January 2006)
