JULY 2010

Table of Contents

FROM THE EDITOR

Escaping the heat in the EMR pool 407
The electronic medical record (EMR) is a tool, and it performs at the skill level of the person using it.
B.F. MANDELL

COMMENTARY

The electronic medical record: Diving into a shallow pool? 408
We should reassess the possible unintended consequences of the rush to adopt electronic medical records.
J.T. HANLON

COMMENTARY

The electronic medical record: Learning to swim 415
Skepticism and vigilance are warranted, but so is optimism.
T.I. ABELSON

THE CLINICAL PICTURE

The eyes: A window into the past 422
The patient, 33 years old and living in Southern California, has "spots" on the retina. What is the most likely diagnosis?
N.F. CRUM-CIANFLONE

THE CLINICAL PICTURE

Pyogenic liver abscess 426
Klebsiella pneumoniae has emerged as the most common organism seen in pyogenic liver abscess.
N.T. NAZIR, J.D. PENFIELD, AND V. HAJJAR

CME CREDIT CURRENT DRUG THERAPY

Coenzyme Q10: A therapy for hypertension and statin-induced myalgia? 435

These supplements appear to be safe, but larger trials are needed to determine if they are truly effective.

M. WYMAN, M. LEONARD, AND T. MORLEDGE

CME CREDIT REVIEW

Menstrual manipulation: Options for suppressing the cycle 445

If they wish, women can have more control over when and if they menstruate, even though myths and misperceptions abound among clinicians.

C.W. HICKS AND E.S. ROME

CME CREDIT REVIEW

Pharmacoresistant epilepsy: From pathogenesis to current and emerging therapies 457

Almost one-third of people with epilepsy continue to have seizures despite appropriate treatment. We recommend early referral to an epilepsy center.

S. PATI AND A.V. ALEXOPOULOS

CME CREDIT REVIEW

Bariatric surgery for type 2 diabetes: Weighing the impact for obese patients 468

Bariatric surgery results in remission of diabetes in most patients. Why should this be?

S.R. KASHYAP, P. GATMAITAN, S. BRETHAUER, AND P. SCHAUER

DEPARTMENTS

CME calendar 418

Directions for taking CME tests online 479

To receive CME credit, read any or all of the CME-certified articles in this issue (those that carry the CME logo), then go to www.ccjm.org to take the test for the article or articles you select. It should take up to 1 hour to complete the activity for each article.
Release date: July 1, 2010
Expiration date: June 30, 2011
