# Table of Contents

## From the Editor

**Kidneys have a lot of nerve** 451
Renal denervation shows promise. But hypertension is a heterogeneous condition, and the patient’s underlying pathophysiology may dictate the response to this physiologically based therapy.

*BF Mandell*

## Review

**POLST:** 457
An improvement over traditional advance directives
Physician Orders for Life-Sustaining Treatment (POLST) is a process that translates a patient’s goals for care at the end of life into medical orders.

*PA Bomba, M. Kemp, and JS Black*

## The Clinical Picture

**A farmer with chest pain and lung nodules** 465
The patient, age 50, was treated 25 years ago for brucellosis. But he is also a 30-pack-year smoker. What does he have?

*FJ Águila, JA Vargas-Hitos, DE Fernández, and JJ Alonso*

**Patchy hair loss on the scalp** 472
A 12-year-old girl has a large, irregular area of hair loss. What is going on?

*MF Helm, J. Housel, and I. Rothman*

## Review

**Dengue:** 474
A reemerging concern for travelers
Dengue, a neglected tropical disease that is reemerging around the world, became a nationally notifiable disease in the United States in 2009.

*NH Hynes*

EDITORIAL

Challenges in the management of aortic stenosis 483
Unfortunately, physicians who manage aortic stenosis do not encounter straightforward classic cases very often.

A. KRISHNASWAMY AND B.P. GRIFFIN

REVIEW

Aortic stenosis: 487
Who should undergo surgery, transcatheter valve replacement?
For some patients with aortic stenosis, the choice of management is simple; for others it is less so.

F. SAWAYA, J. STEWART, AND V. BABALIAROS

EDITORIAL

The promise of renal denervation 498
Only with further carefully conducted randomized trials of renal denervation will its full promise be realized.

D.K. BHATT AND G.L. BAKRIS

REVIEW

Renal denervation to treat resistant hypertension: Guarded optimism 501
Can a percutaneous catheter-based procedure cure resistant hypertension? The limited data available so far look good.

G. THOMAS, M.H. SHISHEHBOR, E.L. BRAVO, AND J.V. NALLY JR.
