

# TABLE OF CONTENTS

FROM THE EDITOR .....

**Return of the 'pisse-mongers,'  
this time with data** **9**

Urinalysis may be the oldest surviving laboratory test. Both Hippocrates and Galen recognized its value.

B.F. MANDELL

COMMENTARY .....

**New cholesterol guidelines:  
Worth the wait?** **11**

An appraisal of the controversial new guidelines, with case scenarios illustrating their advantages and shortcomings.

C. RAYMOND, L. CHO, M. ROCCO, AND S.L. HAZEN

THE CLINICAL PICTURE.....

**Deep T waves and chest pain** **21**

After 3 hours of chest pain, a 67-year-old man presented with deep symmetric T-wave inversions in the precordial leads, a prognostically significant finding.

M. CHADI ALRAIES, W. ALJAROUDI, U.A. KHAN, AND A.H. ALRAIYES

1-MINUTE CONSULT .....

**Do all hospitalized patients  
need stress ulcer prophylaxis?** **23**

No. Only critically ill patients who meet specific criteria should receive it.

N. EISA, F. BAZERBACHI, A.H. ALRAIYES, AND M. CHADI ALRAIES

IM BOARD REVIEW.....

**An 85-year-old with muscle pain** **27**

When preventive therapy causes side effects, physicians face a dilemma.

D. SNIPELISKY AND F. STANCAMPIANO

To receive your free e-mail Table of Contents (eTOC) when a new issue of the *Cleveland Clinic Journal of Medicine* is released, just click on "Alerts" from any page at [www.ccm.org](http://www.ccm.org).

It is quick and easy. All you need is your e-mail address. No other registration information is required.

### Social Networking

To post a *CCJM* article to Facebook or your favorite social networking site, just click on the icon at the bottom of any online article.

CONTINUED FROM PAGE 4

**CME CREDIT** PERSONALIZING PATIENT CARE..... 31  
**How to spot heritable breast cancer:  
A primary care physician's guide**

Many patients may benefit from referral to a cancer genetics program for assessment, counseling, and consideration of testing.

M. SMITH, J. MESTER, AND C. ENG

**CME CREDIT** REVIEW ..... 41  
**Albuminuria:  
When urine predicts kidney  
and cardiovascular disease**

Not only a precursor to diabetic nephropathy, albuminuria has been linked to adverse cardiovascular outcomes and death.

R. STEPHEN, S.E. JOLLY, J.V. NALLY Jr., AND S.D. NAVANEETHAN

**CME CREDIT** REVIEW ..... 51  
**Obesity in the elderly:  
More complicated than you think**

Treatment of obesity in older adults is controversial because of inadequate guidelines and the obesity paradox, the apparently protective effect of obesity with age.

D.C. CETIN AND G. NASR

DEPARTMENTS ..... 8  
**CME Calendar**

**Directions for taking CME tests online** 63

To receive CME credit, read any or all of the CME-certified articles in this issue (those that carry the CME logo); then go to [www.ccjm.org](http://www.ccjm.org) to take the test for the article or articles you select. It should take up to 1 hour to complete the activity for each article.

Release date: January 1, 2014  
Expiration date: December 31, 2014
