

Online Features

Access

Cleveland Clinic Journal of Medicine content is readily available to all and is free of charge at www.ccm.org. On your first visit, we will ask you to take a few minutes to register, but subsequent visits will be unencumbered except for an occasional request for your e-mail address when you visit using another device (eg, mobile phone, tablet).

Services

- Navigate quickly to articles in current and past issues via links on the home page and pull-down menus at the top of the page. Use the search function to find a specific article, or browse by topic or article type.
- Continuing medical education activities are accessible from article links and from a CME pull-down menu on the home page. Participation is free.
- Follow links on the home page to news, summaries of recent scientific meetings, and interactive quizzes.
- Click on the PDF symbol at the top of any online article to read, download, or print the article in PDF format.

Social Networking

To post a *CCJM* article to Facebook or Twitter, just click on the icon at the top of any online article.

TABLE OF CONTENTS

FROM THE EDITOR

Thoughtful vaccination 340

Vaccination against the varicella-zoster virus reduces the likelihood of shingles and postherpetic neuralgia.

B.F. MANDELL

THE CLINICAL PICTURE.....

A burning sensation in the mouth 344

The patient was a smoker with poor oral hygiene.

S.S. BAKSHI

THE CLINICAL PICTURE.....

A broken pacemaker lead in a 69-year-old woman 346

The patient presented with fatigue, cough, light-headedness, and a heart rate of 30 beats per minute.

B. KASEER, M.Y. AL MOUSLMANI, D.S. HIRSH, AND M. HAMMADAH

THE CLINICAL PICTURE.....

A second-degree burn after MRI 348

After undergoing imaging, the patient had 2 new bullous lesions on his inner thighs.

N.S. MANDEL, J.L. RAMDIAL, AND E.N. MARCUS

1-MINUTE CONSULT

Which bowel preparation should be used for colonoscopy in patients who have had bariatric surgery? 350

The authors routinely use low-volume (2-L) polyethylene glycol preparations in split-dose regimens.

Z. ARORA, G. KOCHHAR, AND B. SHEN

REVIEW

Diabetes control during Ramadan fasting 352

For diabetic patients, fasting during Ramadan can cause wide fluctuations in blood sugar levels.

R.A.V. AND A.H. ZARGAR

EDITORIAL

Strategies for management of intermittent fasting in patients with diabetes 357

The focus is on avoiding hypoglycemia, but patients also need to know the risks of hyperglycemia and ketoacidosis.

L. OLANSKY

CONTINUED ON PAGE 336

CME CREDIT REVIEW 359

Preventing herpes zoster through vaccination: New developments

Because protection wanes by 10 years, a booster dose may be necessary but is not yet recommended.

P. LE, C. SABELLA, AND M.B. ROTHBERG

CME CREDIT REVIEW 367

Sexual dysfunction in women: Can we talk about it?

Sexual health may be difficult to discuss, for both the patient and the provider.

S.S. FAUBION AND S.J. PARISH

CME CREDIT REVIEW 377

Use and misuse of opioid agonists in opioid addiction

Methadone and buprenorphine can reduce craving and opioid use but remain misunderstood and underused.

V. MODESTO-LOWE, K. SWIEZBIN, M. CHAPLIN, AND G. HOEFER

EDITORIAL 385

A rational approach to opioid use disorder in primary care

Treating addiction is quickly becoming part of primary care. Clinicians can no longer turn a blind eye toward this problem.

D.G. TOBIN

REVIEW 388

Peripartum depression: Early recognition improves outcomes

Evidence is mounting that the risks of untreated maternal depression outweigh those of treating it.

M.M. HOWARD, N.D. MEHTA, AND R. POWRIE

CME CREDIT REVIEW 397

Chronic constipation: Update on management

If conservative treatments fail, clinicians can choose from a growing list of new ones.

U. HAYAT, M. DUGUM, AND S. GARG

DEPARTMENTS 337

CME Calendar 337

Letters to the Editor 342

A reader comments on serotonin syndrome (November 2016).

CME Instructions Inside back cover

Upcoming Features
