

## Online Features

### Access

Cleveland Clinic Journal of Medicine content is readily available to all and is free of charge at [www.ccjm.org](http://www.ccjm.org). On your first visit, we will ask you to take a few minutes to register, but subsequent visits will be unencumbered except for an occasional request for your e-mail address when you visit using another device (eg, mobile phone, tablet).

### Services

- Navigate quickly to articles in current and past issues via links on the home page and pull-down menus at the top of the page. Use the search function to find a specific article, or browse by topic or article type.
- Continuing medical education activities are accessible from article links and from a CME pull-down menu on the home page. Participation is free.
- Follow links on the home page to news, summaries of recent scientific meetings, and interactive quizzes.
- Click on the PDF symbol at the top of any online article to read, download, or print the article in PDF format.

### Social Networking

To post a *CCJM* article to Facebook or Twitter, just click on the icon at the top of any online article.

AUGUST 2017

# TABLE OF CONTENTS

## FROM THE EDITOR .....

### Understanding the bell-ringing of concussion 583

Back in the day, if we could count the coach's fingers, we could go back into the game. Now we are more attuned to injury.

B.F. MANDELL

## THE CLINICAL PICTURE .....

### Breast calcifications mimicking pulmonary nodules 584

Radiography suggested the lesions were in the lungs, but CT and mammography said otherwise.

M. SALAHUDDIN, T. REILLY, AND J. MORA

## THE CLINICAL PICTURE .....

### Pseudo-Wellens syndrome after heavy marijuana use 590

Acute marijuana intoxication is associated with reversible changes in the P and T waves and ST segments.

M.L.F. CO, A. DAS, AND T. OKWUOSA

## THE CLINICAL PICTURE .....

### A lump on the hip 594

The patient had fallen on his hip while playing basketball about 2 weeks earlier.

M. KHODAEI, S. MATHERN, W.S. MADIGOSKY AND J.T. BRAVMAN

## SMART TESTING .....

### Is spirometry necessary to diagnose and control asthma? 597

Asthma is a clinical diagnosis, but spirometry can improve how we diagnose, assess, and control it.

M. LATIFI AND S. KHATRI

CONTINUED FROM PAGE 575

**IM BOARD REVIEW**.....

**Weight loss, fatigue, and renal failure 601**

A 37-year-old man has gradually lost 100 lb over the past 2 years, with progressive fatigue and malaise.

Q. PAULSON, C.A. STEARNS, AND P. NADER

**CME CREDIT REVIEW**.....

**Delirium in hospitalized patients: Risks and benefits of antipsychotics 616**

No drug is approved for delirium, but antipsychotics can be used in certain situations.

R.P. THOM, C.K. MOCK, AND P. TESLYAR

**CME CREDIT REVIEW**.....

**Concussion: Evaluation and management 623**

Initial therapy involves several days of cognitive and physical rest, then a gradual return to activities.

A. STILLMAN, M. ALEXANDER, R. MANNIX, N. MADIGAN, A. PASCUAL-LEONE, AND W.P. MEEHAN III

**CME CREDIT REVIEW**.....

**Combined hormonal contraceptives and migraine: An update on the evidence 631**

These contraceptives are contraindicated in women who have migraine with aura, but benefit vs risk is debatable.

A.H. CALHOUN AND P. BATUR

**CME CREDIT REVIEW**.....

**Necrotizing pancreatitis: Diagnose, treat, consult 639**

Patients may need intensive care, nutritional support, antibiotics, and radiologic, endoscopic, or surgical interventions.

T.Y. CHUA, R.M. WALSH, M.E. BAKER, AND T. STEVENS

**DEPARTMENTS**.....

**CME Calendar 596**

**CME instructions Inside back cover**
