CLEVELAND CLINIC JOURNAL OF MEDICINE

Online Features

Access

Cleveland Clinic Journal of Medicine content is readily available to all and is free of charge at **www.ccjm.org**. On your first visit, we will ask you to take a few minutes to register, but subsequent visits will be unencumbered except for an occasional request for your e-mail address when you visit using another device (eg, mobile phone, tablet).

Services

- Navigate quickly to articles in current and past issues via links on the home page and pull-down menus at the top of the page. Use the search function to find a specific article, or browse by topic or article type.
- Continuing medical education activities are accessible from article links and from a CME pull-down menu on the home page. Participation is free.
- Follow links on the home page to news, summaries of recent scientific meetings, and interactive quizzes.
- Click on the PDF symbol at the top of any online article to read, download, or print the article in PDF format.

Social Networking

To post a *CCJM* article to Facebook or Twitter, just click on the icon at the top of any online article.

AUGUST 2018

Table of Contents

FROM THE EDITOR

The bias of word choice and the interpretation of laboratory tests 577

Words matter. Calling ALT and AST "liver function tests" can lead to premature diagnosis of liver disease.

B.F. MANDELL

THE CLINICAL PICTURE

Angular cheilitis induced by iron deficiency anemia 581

Causes include nutritional deficiencies, local and systemic factors, and drug treatment.

M.H. AYESH

THE CLINICAL PICTURE

Calcific uremic arteriolopathy 584

A 51-year-old man with end-stage renal disease presented with extensive necrotic ulcers and eschar on both legs.

M. SHETTY, Y. CHOWDHURY, AND B. YEGNESWARAN

THE CLINICAL PICTURE

Palmoplantar exanthema and liver dysfunction 591

The patient admitted to having had unprotected sex with a female sex worker.

T. FUJIKAWA AND H. MATSUURA

MEDICAL GRAND ROUNDS CME CREDIT

Diagnosing and treating bipolar disorder in primary care 601

Many patients have undiagnosed bipolar depression, ie, depression with shifts to periods of mania.

P. KOIRALA AND A. ANAND

1-MINUTE CONSULT

Which patients with a parapneumonic effusion need a chest tube? 609

Hospitalized patients with pneumonia who develop a complicated effusion or empyema need one.

S.A. HELGESON, B.T. HIROTO, S.J. BILLINGS, C.L. SCOTT, AND M.D. LEWIS

CONTINUED ON PAGE 576

CME CREDIT REVIEW

Liver enzymes: No trivial elevations, even if asymptomatic 612

All persistent elevations of liver enzymes need a methodical evaluation and an appropriate working diagnosis.

B. AGGANIS, D. LEE, AND T. SEPE

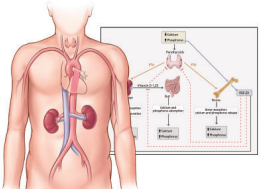
CME CREDIT REVIEW

Diabetes and pregnancy: Risks and opportunities 619

Internists can reduce the risks by optimizing glycemic control before conception and providing effective counseling.

H. LEWIS, R. EGERMAN, A. KAZORY, AND M. SATTARI

REVIEW



Phosphorus binders: The new and the old, and how to choose 629

The pathophysiology and control of hyperphosphatemia in kidney disease, focusing on phosphorus binders.

A. SEKAR, T. KAUR, J.V. NALLY, JR, H. RINCON-CHOLES, S. JOLLY, AND G. NAKHOUL

EDITORIAL

Phosphorus in kidney disease: Culprit or bystander? 639

As kidney function declines, phosphorus accumulates, but the process is complex.

M.S. PARMAR
