

## OUR PEER-REVIEWERS FOR 2020

We thank those who reviewed manuscripts submitted to the *Cleveland Clinic Journal of Medicine* in 2020. Reviewing papers for the *Journal*—both for specialty content and for relevance to our readership—is an arduous task that involves considerable time and effort. Our publication decisions depend in no small part on the timely efforts of reviewers, and we are indebted to them for contributing their expertise this past year.
