

## CORRECTION

---

In the February 2022 issue, an error appeared in Chapman T, Sinz E, McGillen B. *Does my hospitalized patient need an NPO-after-midnight order preoperatively?* *Cleve Clin J Med* 2022; 89(2):69–70. doi:10.3949/ccjm.89a.21061. In the reference list on page 70, reference 3, the citation information was incorrect. The reference should have read as follows: Black MK, Lupa MC, Lemley LW, Dreesen EB, Deaton AM, Wardrop RM 3rd. Things we do for no reason: NPO after midnight. *J Hosp Med* 2021; 16(6):368–370. doi:10.12788/jhm.3537. This is now correct on ccjm.org.
