PUBLISHER’S STATEMENT

*Cleveland Clinic Journal of Medicine (CCJM)*, the flagship publication of Cleveland Clinic, is a peer-reviewed medical journal circulated monthly to over 129K physicians in the following specialties: internal medicine (including hospital medicine), cardiology, endocrinology, pulmonology, and infectious disease.

Ranked as a top hospital by *U.S. News & World Report*, Cleveland Clinic has also ranked #1 for Cardiology and Heart Surgery for the past 29 years and ranks in the Top 5 for five other specialties.

CCJM is where physicians and scientists from Cleveland Clinic and other institutions share their experience of caring for patients, teaching physicians, and researching clinical questions, providing a valuable tool for today’s HCP.

EDITOR IN CHIEF POINT OF VIEW

“Our goal is to continue publishing papers written with the needs of our readers in mind. Our mission is to provide clinically sound and, we hope, enjoyable learning experiences. And we try to present these articles in a readable format so that readers can remember the important educational messages in 2024 and beyond.”
GENERAL EDITORIAL OVERVIEW

CCJM’s unique editorial content mixes clinical relevance with evidence- and experience-based analysis that is immediately applicable to day-to-day practice. Review articles are curated to share what is being learned in examining rooms, surgical suites, lecture halls, and laboratories of Cleveland Clinic and other leading medical institutions. The editors identify new findings that are changing the practice of medicine and make them applicable for clinical practice. CCJM provides free AMA PRA Category 1 Credit™ for select articles — continuing medical education (CME) of compelling practical interest. Contents are indexed for Index Medicus and MED-LINE on PubMed.

GENERAL ADVERTISING INFORMATION

REQUIREMENTS FOR ADVERTISING ACCEPTANCE

• Professional and nonprofessional products or services are subject to Editor-in-Chief and Publisher approval and are accepted provided they are in harmony with the policy of service to the medical profession. (Nonprofessional product and service advertisers should submit copy 2 weeks prior to closing date to obtain approval.)
• Advertisements are subject to the AAAA’s Standard Terms and Conditions for Indemnification by Media Company, Agency and Advertiser.
• Advertisements that resemble editorial or the publication’s editorial format (“Advertorials”) will carry the word “Advertisement” in at least 10-point type at the top of the ad unit.
• Run-of-book cancellations are accepted up to the official material deadline for space without penalty.

COVERS, POSITIONS

• Sold annually on a contractual basis. Space premiums are charged against the B&W earned rate.
• Premium-position advertisers cannot be guaranteed more than 2 pages of separation from a competitor.
• Cancellations of less than 45 days’ written notice will incur a fee equal to the cost of the premium.

RATES & DISCOUNTS

Effective Date: January 1, 2024

Agency commission and terms: Fifteen percent of gross billings on space, color, and premium position charges to recognized agencies.
A finance charge of 1.5% per month will be applied to all past-due invoices beyond 60 days.

CORPORATE EARNED FREQUENCY

The earned frequency rate is determined by the number of units within a 12-month period (calendar or fiscal). A unit is a page or fraction of a page.
• A spread counts as 2 units.
• Each page of an insert counts as one unit (i.e., a single leaf insert counts as 2 units).
• Each demographic/regional/split-run page counts as a unit.
Insertions of parent companies and subsidiaries are combined to determine the earned rate.
Co-marketed products may select the earned frequency discount of either company.

CORPORATE FREQUENCY DISCOUNT PROGRAM

Corporate manufacturers and their subsidiaries will receive a discount on advertising purchased from CCJM in 2024 based upon full-year 2023 Net Spend.

All promotional spending will apply to establish the corporate level of discount, including print and digital advertising, reprints, and non-CME programs.
Discounts will be applied to print advertising purchased in regular issues of CCJM. The Corporate Discount is applied to the adjusted net cost after all other earned discounts have been applied (see Order of Print Discounts).

REPRINTS / EPRINTS
Reprints are a basic necessity for medical meetings, conferences, and exhibit booths. They are a valuable tool for direct mail, press kits, sales force education, sales calls, leave-behinds, new product launches, formulary kits, and more. Reprints/ePrints are a welcome educational service to physicians, nurses, pharmacists, and other healthcare providers, speaking to clinicians with knowledge and relevance. CCJM can also provide related articles to create a comprehensive review package on any given topic; please contact SMMG for more information.
