about CCJM

PUBLISHER'S STATEMENT

Cleveland Clinic Journal of Medicine (CCJM), the flagship publication of Cleveland Clinic, is a peer-reviewed medical journal circulated monthly to 125K physicians — internists (including hospitalists), cardiologists, endocrinologists and pulmonologists.

Ranked as a top hospital by *U.S. News & World Report*, the Cleveland Clinic is also ranked #1 for Cardiology and Heart Surgery (for the past 25 years), as well as in the Top 5 for five other specialties.

CCJM is where physicians and scientists from Cleveland Clinic and other institutions share their experience of caring for patients, teaching physicians, and researching clinical questions, providing a valuable tool for today's HCP.

(Nonprofessional product and service advertisers should submit copy 2 weeks prior to closing date to obtain approval.)
- Advertisements are subject to the AAAA's Standard Terms and Conditions for Indemnification by Media Company, Agency and Advertiser.
- Advertisements that resemble editorial or the publication's editorial format ("Advertorials") will carry the word "Advertisement" in at least 10-point type at the top of the ad unit.
- Run-of-book cancellations are accepted up to the official material deadline for space without penalty.

COVERS, POSITIONS

- Sold annually on a contractual basis. Space premiums are charged on the B&W earned rate.

RATES & DISCOUNTS

Agency commission and terms: Fifteen percent of gross billings on space, color, and premium position charges to recognized agencies.

A finance charge of 1.5% per month will be applied to all past-due invoices beyond 60 days.

CORPORATE EARNED FREQUENCY

The earned frequency rate is determined by the number of units within a 12-month period (calendar or fiscal). A unit is a page or fraction of a page.

- A spread counts as 2 units.
- Each page of an insert counts as one unit (i.e., a single leaf insert counts as 2 units).
- Each demographic/regional/split-run page counts as a unit.

Insertions of parent companies and subsidiaries are combined to determine the earned rate.

Co-marketed products may select the earned frequency discount of either company.

CORPORATE FREQUENCY DISCOUNT PROGRAM

Corporate manufacturers and their subsidiaries will receive a discount on advertising purchased from CCJM in 2020 based upon full-year 2019 Net Spend.

All promotional spending will apply to establish the corporate level of discount, including print and digital advertising, reprints, and non-CME programs.

Discounts will be applied to print advertising purchased in regular issues of CCJM. The Corporate Discount is applied to the adjusted net cost after all other earned discounts have been applied (see Order of Print Discounts).
